## Key conditions:

SHB-EIT Sports Scholars must:

- Complete all relevant application information prior to the closing date 25 November
- Meet the entry criteria of their intended programme of study
- Complete a minimum of four promotional tasks throughout the year which are likely to include two posts on the EIT website, one presentation at a Sport Hawke's Bay event and one school related event.
- Behave in a manner appropriate to a sport scholar at all times. Any conduct by the recipient which may bring the awarding organisations into disrepute may invalidate the scholarship.

PLEASE NOTE: Payment is conditional on the applicant completing the first two weeks of study at EIT. If a scholarship recipient does not complete the year of study for which the scholarship has been paid, he/she will be expected to refund the full value of the scholarship or the proportionate amount used for that year to be decided by the selection panel. The recipient may also be asked to refund the full value or proportionate amount should they be unable to complete the tasks required or be considered to behave in a manner which may bring the funding organisations into disrepute.
