International Students Fees list for 2012

- For courses of more than one year's duration, fees shown are annual charges.
- For courses of one year's duration or less, the fees indicated are total tuition fees.
- International fees are reviewed annually and may be subject to increase in future years.
- Tuition fees include course related costs, Student Association fee, goods and services tax and in some instances an examination fee.
- Textbooks and stationery are an additional cost to the tuition fee: approximately \$500–\$1,000 per year.
