

ROAD TO IELTS ONLINE

Free online preparation

- 30 hours of online self study materials from the British Council to support your exam preparation
- Exclusively for registered candidates
- 3 units, each based on commonly used IELTS topics
- Each unit covers all four sections of the exam (reading, listening, writing and speaking).

Prepare for your test

- Practise IELTS listening tasks under timed conditions
- View sample videos of speaking tests, highlighting good and less good practice
- Develop vocabulary and techniques for writing tasks 1 and 2
- Work on authentic texts for the reading test – just like the real exam
- Develop vocabulary in topic areas commonly used in the IELTS exam

Further benefits

- **Instant Feedback:** Gain instant feedback on your performance and monitor your personal progress.
- **Understand your mistakes:** See the correct answers and receive tips and hints to help you improve.
- **Develop Confidence:** As the exercises are based on real IELTS tasks, you become more familiar with the test and so feel more confident.

Other resources

Road to IELTS Online is a self study resource which we recommend you follow along with other forms of preparation.

If you want unlimited and ongoing access to IELTS preparation materials, an IELTS Specimen Materials book and CD can be purchased from EIT. Contact the IELTS Administrator if you are interested.

Access the materials

After you have registered for the IELTS test and your payment is confirmed we will send you your unique access codes to the materials.

You can use the materials as many times as you wish until one week after the date of your written exam.

Check out our FAQs for further questions about the materials and how to use them.

Good Luck on your Road to IELTS!
