

# NZ Diploma in Fashion

## Level 5

The fashion industry and creative and cultural sector in Aotearoa New Zealand is looking for people who can apply core technical skills and knowledge of fashion design and construction at an operational level.

This programme will introduce you to the bigger picture of the fashion industry and how it operates both locally and globally. The programme will have 'real life' opportunities with projects from the community and fashion industry.

With your diploma completed successfully you can continue on to the second year of the Bachelor of Creative Practice.

# Start your career in the fashion industry

The NZ Diploma in Fashion (Level 5) is a one year (34 week) project-based programme designed for people wanting a career in fashion and to gain technical skills and knowledge required to work in the fashion design industry.

## During the course you will:

- Produce digital documentation of your research and progress.
- Develop skills in fashion concept design and fashion illustration.
- Develop skills to produce and manipulate pattern blocks and toiles.
- Create fashion products to industry standards, after having prepared the specifications and planned the construction.
- Develop professional ethics and values in relation to your own creative practice.
- Produce a mini collection of clothing from concept to completion and present in a catwalk show.
- Prepare a self-development plan to determine employment options.

As a graduate you will be capable of self-managing design projects to completion by applying technical skills and processes within briefs. You will have the conceptual and practical skills that reflect current fashion design industry practices.

## Career and study opportunities

You will gain a broad introduction and understanding of the different aspects of the apparel industry which will prepare you for employment or to go on to further study. The programme offers a pathway to Level 6 of the Bachelor of Creative Practice at IDEASchool.

Possible jobs and career opportunities can include:

- Pattern making for a major fashion company
- Fashion designer
- Fashion illustrator
- Independent clothing designer and manufacturer
- Machinist for clothing manufacturer
- Fashion retail assistant
- Assistant to fashion designers
- Fashion workroom assistant
- Product manager for a fashion clothing company

Continue your study pathway with the Bachelor of Creative Practice followed by an Honours or Masters degree.

## Industry-based training

A portion of the programme involves yourself organising, planning and presenting a mini fashion collection in a Fashion Showcase.

You will attend a field trip visiting the local fashion industry.

## Programme pathway

# How to enrol

There is an easy 3-step process to follow when enrolling at EIT | Te Pūkenga.

## Step 1

Check out [eit.ac.nz](http://eit.ac.nz) to see the programmes available for you to study. A copy of the course information for each programme is available on our website.

## Step 2

You can now use your RealMe verified identity to apply for study at EIT | Te Pūkenga. If you use your RealMe verified identity you will no longer be sent a copy of your application form to sign. You also will not need to provide us with a copy of your primary ID.

If you apply online without using RealMe then you will be sent a summary of your enrolment to check and sign. It will also include course selection forms which you need to complete and return. Your enrolment cannot progress until you have sent the summary and forms back to us.

You can also apply using a paper enrolment form. Please call us on **0800 22 55 348** and we will send you one out.

You will receive an acceptance letter from your Faculty with programme information. This will include the start date of your study and any special information regarding your programme. Depending on your chosen programme of study, you may be invited to attend an interview before you are accepted.

## Step 3

Arrangement for full payment of enrolment fees must be made before the start of your programme. You will receive an invoice with payment details.

**Fees-free government scheme:** Tertiary education is fees-free for eligible domestic tertiary students. To check if you are eligible, go to [FeesFree.govt.nz](http://FeesFree.govt.nz) and enter your National Student Number (NSN). If you are not eligible you will be responsible for paying your fees.

**Scholarships and grants:** Scholarships and grants make life easier by helping to cover your fees, other costs and living expenses while you study. You don't always need to be an academic high-flyer to qualify. You can find out more about scholarships and other options for paying your fees at [eit.ac.nz](http://eit.ac.nz).

**StudyLink:** If you need to pay for your own study you can choose to apply for your Student Loan and Student Allowance with StudyLink. You should do this early, even if you haven't yet been accepted on your programme. You can change your details later if anything changes. Visit [studylink.govt.nz](http://studylink.govt.nz) to find out more about StudyLink.

## Student services levy

The student services levy is a compulsory non-tuition fee that is charged to students enrolled at EIT | Te Pūkenga. The levy is to contribute to the provision of quality student services that support learning. The funds received by EIT | Te Pūkenga from the levy are ring-fenced, meaning they can only be spent on student services.

## Student loans and allowances

StudyLink is a service of the Ministry of Social Development. Apply well before your programme begins (even if you haven't been accepted yet) so you'll be ready to get your payments when you need them most.

Check out what you qualify for at [studylink.govt.nz](http://studylink.govt.nz).
