

Gas Bottle Storage – Procedure PO180-13

BACKGROUND

Ōtātara Children's Centre keeps a gas bottle for a barbeque/hangi cooker on premises. We will ensure that it is kept away from children at all times and that it is checked regularly.

AIM

The health and well-being of the child and their whanau are protected (Te Whāriki).

PROCEDURE

- Teachers are made aware of the location of the gas bottle.
- The gas bottle is kept in a secure place away from children's access.
- The gas bottle is disconnected from the barbeque/hangi cooker when in storage.
- The gas bottle is "swapped" when empty.
