

Teachers' Children Attending Centre – Policy QO174

POLICY STATEMENT

Otatara Children's Centre recognises that staff members may wish to have their children or grandchildren enrolled at the Centre. We will do everything practicable to ensure that staff members who wish to have their children and grandchildren with them in the Centre, can do so.

The acceptance of the children of staff members in the Centre will be dependent on places available and the existing percentage of staff member's children already in the Centre balanced with budgeting constraints.

Where ever possible, if working in the same room, the parent or grandparent will also be the child's whānau teacher.

Fees are set at 60% of normal rates applied to the family portion of the invoice after full eligibility to 20 hours ECE, WINZ subsidy etc have been deducted.

Should issues arise regarding the staff member working in the Centre with their child/grandchild, an agreed plan will be put in place. This will be developed in conjunction with the Centre supervisor, team leader and the teacher concerned.
