

STUDENT VILLAGE APPLICATION FOR ENTRY

Information for International applicants

EIT Hawke's Bay has been offering quality tertiary education programmes to the Hawke's Bay community and beyond for more than 40 years. Increasingly we also now see a wider group of students coming from around New Zealand and overseas. EIT has continued to evolve to keep pace with the changing needs of the local and global employment markets to give our students an excellent chance of success in their chosen careers.

Along with this, the Student Village offers a wonderful opportunity for living as part of a student community and for establishing friendships with others who have varied interests and backgrounds. With its four-star plus Qualmark rating and Silver Environmental Award, EIT's Student Village is ranked among the best student accommodation in New Zealand.

The village adopts a modern, co-educational, multi-cultural student hostel concept, providing six individual rooms with shared living and kitchen facilities in each accommodation unit. The primary aim of village management is to provide a safe environment that is conducive to both academic study and a positive social life. Therefore a set of Conditions of Residency has been devised to make life within the village a positive and fulfilling experience. These conditions are based on many years of experience in student accommodation.

Your fees cover your fully furnished bedroom, electrical and heating costs, and the use of the shared kitchen, living, and laundry facilities (it's free to wash, but dryers are coin operated). While meals are not provided, each unit has its own shared kitchen facilities and the Student Village is in close proximity to a number of food outlets and a supermarket.

Internet access is available to residents. Details of access and residents obligations are available on request. Each bedroom has a bed with drawers underneath, wardrobe, bookshelf, study-table with lamp, chair, bedside cabinet, a notice board, and is heated in the winter. You will need to provide your own bedding (including your own pillow(s), sheets, blankets/duvet, and towels) unless you decide to pre-pay for a bedding pack. Additionally, you will need to provide your own crockery, pots, cutlery, and food containers. A separate list has been provided in this packet.

We hope you find this helpful and that you enjoy your stay in the EIT Student Village.

STUDENT VILLAGE APPLICATION FOR ENTRY

APPLICATION INFORMATION

ELIGIBILITY

The EIT Student Village is available to EIT students enrolled in a full-time programme. Applications for residency are normally only considered from students aged eighteen years and over.

The minimum length of residency is 20 weeks, unless agreed to by the Village Manager prior to your acceptance. If you apply for a longer period e.g. an academic year and you are accepted, this becomes your minimum contract period.

Applications for rooms will be accepted only after full Student Village fees are received.

ACCOMMODATION FEES

Accommodation fees are \$190.00 per week for the academic year (approximately 40 weeks, between February and November).

Fees must be paid by semester (20 weeks) in advance or for the academic year (40 weeks) in advance.

Residents have the option of remaining in the village during term/semester breaks, but if rooms are vacated during these periods, there will be no reduction in accommodation costs.

At times during November to February the village is rented to holiday makers. This assists to keep fees as low as possible. If you wish to stay during this time, and your application is accepted, you may be required to move room. Our normal weekly rate and conditions will apply.

Please Note: Preference will be given to students requiring accommodation for the academic year, and to those Residents who pay for the academic year in advance.

ACCOMMODATION BOND

A \$300 bond is payable on application. This bond is refundable in part or full under the following circumstances:

If you do not gain a place in an EIT programme, or the Student Village, your \$300 bond will be refunded in full.

If you gain a place on an EIT programme and the Student Village, but elect not to take your offered place/s, \$150 of your bond will be refunded.

Bonds will be refunded in full within one month of leaving the village - as long as there is no damage done to the room or unit you are in. Any cost for repairs and excessive cleaning will be shared amongst all residents unless responsibility is accepted by a specific person or persons.
