HOW TO CHECK YOUR GOVERNMENT FEES-FREE ELIGIBILITY

Government Fees-Free is administered by the Tertiary Education Commission (TEC).

Visit feesfree.govt.nz and enter your National Student Number (NSN). TEC will immediately check your eligibility to fees-free study.

If you get a YES - there is no need to do anything else. We will apply your Government Fees-Free first.

If you get UNKNOWN - this means TEC are not sure if you are eligible. You will need to complete the statutory declaration process to determine if you are eligible for Government Fees-Free. If you are not eligible, we will apply your scholarship.

If you get a NO - we will apply your scholarship. If you are coming up with a NO response but you believe this is incorrect, please contact Fees-Free to discuss.

Fees Free Contact:

0800 687 775, Monday to Friday, 8am to 6pm.

If you have a question about a statutory declaration please email feesfreecheck@tec.govt.nz.

If you have submitted an appeal and have further questions please email feesfreereview@tec.govt.nz.

If you have any other questions please email feesfree@tec.govt.nz.

Please note that EIT can only view your confirmed Fees-Free status, it is up to you to complete the necessary documents to correct your status through Fees-Free, otherwise we will apply your Year 13 Degree Scholarship to your first year of study. If you don't check your eligibility before the end of your study period, you may lose your entitlement to fees-free study.
