

# Ōtātara Trust Scholarship

## What is the Ōtātara Trust?

The Ōtātara Trust is a charitable trust established in 1977 to encourage continuing education and assist EIT to achieve its role as the premier tertiary provider in Hawke's Bay.

Initially the trust had a broader role in management of separate businesses within EIT such as the Children's Centre and the Bookshop.

In 2008, five new scholarships were introduced to mark 30 years of support for EIT and the Trust's more focussed role on scholarship support.

## Objectives of the new Ōtātara Scholarship Scheme are:

- To encourage learning at all stages of life
- To encourage completion of studies
- To encourage consistent academic achievement
- To diminish barriers to learning
- To recognise contribution to community

## Who may apply?

Any returning EIT Hawke's Bay student undertaking Level 6 and/or Level 7 study.

## How to apply:

Applications open from 10 January 2022. Complete the application form (overleaf) or visit EIT Online, [eit.ac.nz](http://eit.ac.nz) or the EIT Information Centre to obtain an application form.

## Applications close Friday, 18 March 2022

Applications will be judged by a selection panel on the basis of student calibre in an all-round sense and not entirely on high academic achievement.
