PROGRAMME NOTES
1 Part-time study may be available. Intakes may vary depending on location. Fees Free may be available. All information is correct at time of print but subject to change without notice. Conditions apply.
2 Subject to approval. Check out our website for specific programme information including course fees/fees free and locations.
3 Please note that this programme of study is currently under review as part of the reform of vocational education training. The objective is to provide one programme for Te Pūkenga that is portable, consistent, and more closely aligned with the needs of industry. As the review is ongoing, this prospectus is correct at the time of publishing but the courses outlined may change over time.

© Eastern Institute of Technology Limited

DISCLAIMER: All information in this publication pertains to New Zealand Citizens or Permanent Residents, and is correct at the time of printing but is subject to change.
From 2023 Eastern Institute of Technology Limited will become part of Te Pūkenga – New Zealand Institute of Skills and Technology
EIT and Te Pūkenga reserves the right to amend/withdraw programmes or courses. Fees for 2023 will be set by November 2022 and are subject to change.
For the latest information, or for full programme entry requirements visit eit.ac.nz or phone 0800 22 55 348.
From 2023 all EIT learners will be enrolled with Te Pūkenga, which brings together all the other polytechnics in New Zealand. Being a part of Te Pūkenga means we will be more connected to the other organisations delivering vocational and applied education and we will work with them to share skills and knowledge to better help you succeed.

Te Pūkenga is creating a network of online, on-campus and on-job learning to give learners like you more flexibility in what, where and how you learn.

When you study at EIT | Te Pūkenga you’ll get the kind of experiences that will help you gain the knowledge and skills to get ahead, whether you want to break into your chosen career or change direction in life.

Experience being part of a vibrant learning community and be taught by experienced lecturers who have track records as respected academics, researchers and industry professionals.

Get the benefit of EIT | Te Pūkenga’s long-established connections with industry throughout New Zealand. Many of our programmes are field-based and hands-on to help you develop relevant work skills, gain practical experience, and get useful industry contacts which can set you on the path to a great job, all while you’re studying.

Have the experience of studying at our modern well-equipped campuses, at our regional learning centres or at a pop-up location, and you’ll gain invaluable experience using our facilities and state-of-the art technology.

There are a range of full-time, part-time and online study opportunities available to you as well as scholarships and free programme options.

At EIT | Te Pūkenga, you’ll get the support you need to help make sure you get rewards for your hard work. If you’re serious about study and your future, EIT | Te Pūkenga is right behind you.

Learn in classes that are the right size to make sure you get the involvement and support you need. EIT | Te Pūkenga provides help and guidance with everything from study planning to applying for a job after you complete your studies.

Be supported by lecturers who are here for you, within a learning environment where you are treated as an individual, not a number. They’ll know your name and you’ll receive one-on-one attention to make sure you get the support to succeed.
Nau mai haere mai ki Te Pūkenga

Welcome to Te Pūkenga

Te Pūkenga is building a national network of integrated learning in Aotearoa New Zealand that better meets the needs of learners, their whānau, employers and the community.

By bringing together on-the-job, on campus and online learning, Te Pūkenga is creating a network that gives learners more choices and flexibility in what, where and how they learn.

Please note our programmes of study are currently under review as part of the reform of vocational education training. The objective is to provide one programme for Te Pūkenga that is portable, consistent, and more closely aligned with the needs of industry. As the review is ongoing, this prospectus is correct at the time of publishing but the courses outlined may change over time.

Learn with purpose
tepūkenga.ac.nz
Kia ora huihui mai tātou.

It’s my pleasure to be able to provide an introduction in this 2023 prospectus and welcome you to Te Pūkenga, nei te reo rāhiri e rere atu ana - nau piki mai, nau kake mai ki Te Pūkenga.

In 2020, the government reviewed the vocational education system in Aotearoa New Zealand and made some significant changes for how it would work in the future.

One of those changes was the creation of Te Pūkenga, New Zealand Institute of Skills and Technology. The change meant that all of the country’s Kura Tini, Institutes of Technology and Polytechnics such as EIT as well as some of the country’s Industry Training Organisations which focus on work-based learning such as apprenticeships, will now sit within one organisation – Te Pūkenga.

By bringing these organisations together, it means we can create a national network of on-the-job, on campus and online learning opportunities that give learners more choice and flexibility in what, where and how they learn throughout Aotearoa New Zealand.

For those of you thinking of enrolling with EIT for study in 2023, this means you are going to be enrolling with a national organisation and you will receive a qualification from Aotearoa New Zealand’s largest education provider, Te Pūkenga.

You’ll still be able to study in Hawke’s Bay and Tairāwhiti but you’ll have the additional benefits that come from being part of a national network – such as more support, more study options and increased ability to switch between different types of learning if your circumstances change.

A national network means we can plan better for the future needs of Aotearoa. We want to make sure that when you enrol in a programme, you are gaining skills that are needed by Aotearoa and around the world – giving you more job security and ultimately increasing your opportunities for success.

Our transformation is a journey that will take time but one thing is clear, everything we do is centred around our learners and their whānau. We have a relentless focus of equity and we’re setting the foundations to deliver to Te Tiriti o Waitangi and its principles, and most importantly to the aspirations of Māori learners, their whānau, and iwi/hapū.

Throughout this prospectus you may notice that a number of programmes are changing.

We are unifying programmes to make sure they are consistent across the country. This means if your circumstances change, you’ll be able to continue with your study rather than having to start again. It’s just one of the ways we are working to make learning fit around life, rather than making life fit around learning.

Whether you’re looking to continue with your study or try something fresh, we look forward to you joining Te Pūkenga whānau and being part of this transformational journey with us.

Mā te kimi ka kite. Mā te kite ka mōhio. Mā te mōhio ka mārama - Seek and discover. Discover and know. Know and the world of light is yours to behold.

If you have any questions or want to find out more about Te Pūkenga, visit our website tepukenga.ac.nz or email us at info@tepukenga.ac.nz – we’d love to hear from you.

Stephen Town
Chief Executive
The delivery of a high standard of educational programmes remains the focus as EIT becomes part of Te Pūkenga (New Zealand Institute of Skills and Technology).

The Government’s Reform of Vocational Education (RoVE) has seen the country’s 16 Institutes of Technology and Polytechnics (ITPs) and nine Industry Training Organisations (ITOs) join together to form Te Pūkenga, a unified network of tertiary providers.

As part of Te Pūkenga, EIT is working with others in the network to amalgamate and align educational delivery and support systems.

Te Pūkenga will be New Zealand’s largest tertiary education provider, working as a sustainable national network of regionally-accessible providers that offer a cohesive system of on-the-job, on-campus, and online vocational education and training.

While EIT’s name may be changing, quality education and delivery will not. The services we offer will not only remain, they will be strengthened by being part of the extensive Te Pūkenga network. We are working closely with our colleagues across the network to ensure our strengths become the strengths of Te Pūkenga.

EIT is proud to be a part of Te Pūkenga.

FIND YOUR IT

Some people know exactly what they want to do in life, so choosing what to study is easy for them. They know what they are good at; they know their strengths and how they want to use them. But for many people it’s not so easy. There are lots of courses, many different jobs, and plenty of career choices out there. So making the right decision about what to study can seem daunting.

It’s important to get lots of information to help you make a well-informed decision. A good place to start is the Government’s Careers NZ website at careers.govt.nz.

It’s a good idea to think about what you’re interested in. Spend some time thinking about what you like and don’t like, and what you’re good at. If you have a profession in mind, you could talk to people who are working in the industry. They can tell you which skills, experience and qualifications you need.

You may find that you have knowledge, skills or previous achievements that can count towards your qualification. At EIT | Te Pūkenga, we’ve got lots of experience supporting students to make important decisions and pointing them in the right direction. Come and have a chat with us. We can put you in touch with programme coordinators and arrange an appointment to talk with the career’s advisor about your career, training and education choices.

CAREER PREPARATION

If you need study or career advice, come and talk to our team. We can help with your career preparation, helping you to explore different career opportunities and help choose the right study options for you. The following services are offered to all current students and graduates of EIT | Te Pūkenga.

▶ Career Planning
▶ Career Preparation
▶ Course Advice
▶ CV and Cover Letter
▶ Job Search Strategies
▶ Interview Preparation.

Career planning and course advice is offered to future students and members of the public who are considering their future study and employment options.

Contact: careers@eit.ac.nz or call 06 830 1230
HOW WE’LL SUPPORT YOU

Studying takes determination, commitment and self-discipline. As a student at EIT | Te Pūkenga, you can get support to help you focus on what really matters – your studies and your future.

When you become a student at EIT | Te Pūkenga, it may be your first time away from home, or the first time you’ve studied at tertiary level. It may all be very new to you.

Your studies will take up a lot of your time, so you may need a hand with other parts of life.

To help you get the most out of your time here, EIT | Te Pūkenga offers you support in all sorts of ways. Whether you’re after help to choose the right subjects or you need some guidance to show you the best way to get into your chosen career, there’s someone available to help.

Get personal one-on-one help from friendly experts at EIT | Te Pūkenga who have plenty of experience assisting students like you. They’re on campus to offer advice, information and guidance.

We want your time at EIT | Te Pūkenga to be exciting, productive and successful, so make sure you take advantage of all the support we offer.

DISABILITY & WELLBEING SUPPORT

DISABILITY SUPPORT

Support is available for students with physical, sensory, intellectual, and learning disabilities (including dyslexia, dyspraxia etc., and other neurodiversity) and mental health conditions. Support is designed to provide equitable opportunities and is available to all students with permanent or temporary disabilities or health conditions, including when recovering from injury or surgery. Services are available depending upon your needs and range from information and advice to technology solutions and alternative arrangements for test and exams.

Our Disability peer support group Te Rōpu Āwhina meets regularly on the Hawke’s Bay Campus to share kai, connection and wellbeing.

WELLBEING SUPPORT

Wellbeing support is available to all students. You do not need to have a disability or health condition and wellbeing advice doesn’t have to be study related. We can help you to identify your goals, support your needs, and connect you with appropriate support on and off campus.

We use Te Whare Tāpa Whā as our guiding model for holistic support and connectedness.

We have a Rainbow Diversity peer support group on the Hawke’s Bay campus, as well as wellbeing drop ins and we run wellbeing workshops to support you to maintain and improve your wellbeing.

Contact us early so we can assist you confidentially with your requirements.

Hawke’s Bay Campus on (06) 974 8000
Tairāwhiti Campus on (06) 869 0810
SUPPORT SERVICES AVAILABLE

For a full list of services available, visit eit.ac.nz/students

Academic Learning Services
You can get help and advice on all aspects of study, including study skills, writing assignments, computing, maths, academic writing and planning study time.

Childcare
Otātara Children’s Centre at EIT | Te Pūkena Hawke’s Bay and Manaaki Tamariki Childcare Centre at EIT | Te Pūkena Tairāwhiti are available, giving you peace of mind that your children are in safe hands while you study. Bookings are essential.

EIT Students’ Association
YOUUnited is here to represent you. From looking after your interests to organising social events and activities. Plus YOUUnited arranges discounts and exclusive deals for EIT | Te Pūkena students only.

Trades Academy
If you’re at secondary school you can get practical, hands-on training in trades and other programmes, one or two days a week, and earn credits towards your NCEA Level 3 qualification.

Schools & Community Liaison
The liaison team at EIT | Te Pūkena can hold events and presentations for schools, community and industry, either on campus or at your location. In addition to information and enrolment days, groups and individuals can book a campus tour year-round.

Chaplaincy
EIT | Te Pūkena has a team of chaplains available for you. They are mostly volunteers and represent all the main faiths and forms of spirituality.

Pouwhirinaki - Māori & Pasifika Student Support
You can get advice, mentoring and support in pastoral care, cultural needs and values, te reo Māori, waiata and tikanga, scholarships, iwi and hapū registrations and grants.

Bookshop
The Otātara Bookshop caters for stationery and textbook needs for students on all campuses. The shop also sells stamps, a range of greeting cards and small gift items.

Māori and Pasifika
Our support team works with organisations, fanau, iwi, hapū and whānau. You can get guidance with study options, academic support and much more.

Disability & Wellbeing Services
Dedicated support includes adaptive technology, alternative exam arrangements, assistance with funding and disability car parking on-campus.

Star & Gateway
Want help making the move from secondary school to tertiary education and training, plus gain credits towards your chosen career qualification while studying NCEA? Talk to the STAR/Gateway Coordinator.

Career & Development
EIT | Te Pūkena Career Development Services can help you make career choices, work out what to study, and give you guidance and information about finding a job, or kick-starting your career.
EIT | Te Pūkenga has a number of ways to help financially support your study. This could be through one of the many free programmes we offer or the range of scholarships we have available.

Scholarships make life easier by helping to cover your fees and living expenses while you complete your qualification. You don’t always need to be an academic high-flyer to qualify.

We offer scholarships awarded to eligible Māori and Pasifika learners, scholarships for postgraduate students, and scholarships that are generously offered by our industry partners.

The Year 13 Scholarship available at EIT | Te Pūkenga for instance (see page 11), allows school leavers to study a full year for free*. Last year, many students received this grant and will be able to finish their degree with a manageable student loan. For these students this scholarship is one of the reasons why they chose EIT | Te Pūkenga over a bigger university.

EIT | Te Pūkenga is also delighted to be one of the New Zealand tertiary institutions to offer a fees-free year of tuition for eligible first-time tertiary students through the Government Fees-Free initiative.

There are many other scholarships that are specific to the programme that you decide to study, be it nursing, horticulture, business or trades.

So make sure you find out what’s available at eit.ac.nz/students/scholarships or for general scholarship information please contact scholarships@eit.ac.nz.

FREE* PROGRAMMES

EIT offers a range of programmes that are currently FREE*.

Check out free.eit.ac.nz for a full list of programmes and more information.
YEAR 13 SCHOLARSHIP

Our Year 13 Scholarship supports school leavers across the Hawke’s Bay and Tairāwhiti regions to study any one of our degrees or selected level 5 certificate and diploma programmes that pathway into a degree by providing 1 year FREE* study.

Live outside these regions? No problem, there are few selected programmes that are available nationwide, so if you are Year 13 and want to study one of these, you can apply for this scholarship too.

The Year 13 Scholarship covers one year of tuition fees including any course related costs which have been approved to be included as part of the scholarship. When combined with the Government Fees Free initiative, Year 13 Scholarship recipients are studying fees-free for the first two years of their degree.

HOW TO ENROL

There is an easy 3-step process to follow when enrolling at EIT | Te Pūkenga.

1. FIND YOUR PROGRAMME
   Go online to eit.ac.nz to see the programmes available for you to study at EIT | Te Pūkenga.
   Once you find a programme which you are interested in online, you can download an enrolment form and course information to find out more.

2. APPLY
   Using your RealMe Account
   You can use your RealMe verified identity to apply for study at EIT | Te Pūkenga. If you use your RealMe verified identity you won’t need to provide us with a copy of your primary ID or sign a copy of your application form.
   Don’t have a RealMe Account?
   If you apply online without using RealMe then you will be sent a summary of your enrolment to check and sign. Your enrolment won’t progress until you have sent this back to us. Please return this quickly along with any documentation we request from you, so we can get your enrolment sorted.
   Applying by post
   You can also apply using a paper enrolment form. Please email us at info@eit.ac.nz and we will send one out to you.

   Once your application has been processed, you will be contacted by your Faculty. They will provide you with programme information including the start date of your study and any special information regarding your programme.
   You may also be sent course selection forms which you need to complete and return to us. Depending on your chosen programme of study, you may be invited to attend an interview before you are accepted.

3. ARRANGE PAYMENT
   Arrangement for full payment of enrolment fees must be made before the start of your programme. You will receive an invoice with payment details.
   Fees-Free government scheme: Tertiary education is fees-free for eligible domestic tertiary students. To check if you are eligible, go to FeesFree.govt.nz and enter your National Student Number (NSN).
   If you are not eligible you will be responsible for paying your fees.
   You can find out more about scholarships and other options for paying your fees at eit.ac.nz.
   
   STUDENT LOANS AND ALLOWANCES
   If you need to pay for your own study you can choose to apply for your Student Loan and Student Allowance with StudyLink. StudyLink is a service of the Ministry of Social Development.
   Apply well before your programme begins (even if you haven’t been accepted yet) so you’ll be ready to get your payments when you need them most.
   Check out what you qualify for at studylink.govt.nz.

   STUDENT SERVICES LEVY
   The Student Services Levy is a compulsory non-tuition fee that is charged to students enrolled at EIT | Te Pūkenga. The levy is to contribute to the provision of quality student services that support learning.
   The funds received by EIT | Te Pūkenga from the levy are ring-fenced, meaning they can only be spent on student services.
EIT | Te Pūkenga offers you qualifications from certificate to postgraduate level at campuses in Hawke’s Bay, Tairāwhiti (Gisborne) and Auckland (international only). Or you can learn closer to home at one of the Regional Learning Centres in Hastings, Maraenui, Ruatoria, Waipukurau and Wairoa, plus other pop-up centres near you.

EIT | Te Pūkenga Hawke’s Bay, located in Tārādale is one of New Zealand’s most attractive campuses with superb architecture and shaded outdoor areas for study and relaxation on warm days. The main campus at EIT | Te Pūkenga Tairāwhiti and our Rural Studies Unit are in the heart of Gisborne, near the Tāruheru River, and you can’t get more central than EIT | Te Pūkenga Auckland’s location on Queen Street.

Our Regional Learning Centres are conveniently located, easy to access, close to public transport, where available and tailored to meet the needs of students and staff.

Our campuses have top quality facilities, purpose-built for EIT | Te Pūkenga programmes, including high-tech trades workshops, professional-standard training kitchens and fully-equipped wine science and viticulture laboratories.

Our libraries put resources at your fingertips, with expert librarians on-hand to help you. You can get your textbooks and stationery from the Otātara Bookshop at the Hawke’s Bay Campus and make use of the campus-wide free wifi.

You can have your work professionally printed through our fully-equipped printing services (Reprographics) who handle everything from large format printing to document binding, for a price that won’t put a dent in your finances.

Hungry after all your study? You can enjoy bustling campus cafés and student training cafés to catch up with fellow students over a cup of coffee or lunch.

ACCOMODATION WHILE YOU STUDY
Accommodation is available in the EIT | Te Pūkenga Student Village opposite the Hawke’s Bay Campus.

The Student Village is a self-catering complex of 12 villas housing six students in each. Both New Zealand and international students live together (mixed gender). Each student has their own furnished bedroom. Students share lounge, kitchen, dining, laundry and bathroom facilities in each villa.

Rooms fill fast so enquire today.
Contact: eitsv@eit.ac.nz or download an application form at eit.ac.nz.
STUDY ONLINE WITH EIT | TE PŪKENGA & eCAMPUS NZ

eCAMPUS NZ

Gain industry-recognised education through flexible online study at eCampus.

Brought to you by several of New Zealand’s major tertiary education providers including EIT | Te Pūkenga, eCampus is an alternative tertiary education service that is leading edge and puts your needs first. Study the way you want to - all eCampus programmes are able to be studied part-time and have flexible start dates.

This means you have the freedom to choose when to study and how to make your programme meet your requirements. You will be supported by your own personal advisor who will follow you through your learning journey, helping you along the way to reach your study goals.

To find out more check out online.eit.ac.nz

NZ Certificate in Business (Administration and Technology) [Level 3 & 4]
The administration team is often the oil that ensures the smooth running of a business or organisation. It takes systems knowledge and expertise to provide great service to the rest of the team and increase productivity. You will learn the finer points of delivering high quality administrative support to your organisation.

NZ Certificate in Business (Accounting Support Services) [Level 4]
The purpose of this qualification is to provide New Zealand business entities with people who can carry out a broad range of accounting support services to work in a range of accounting support and bookkeeping roles in business entities.

NZ Certificate in Project Management [Level 4]
So you want to move into project management? Arm yourself with the knowledge and skills to lead, plan and execute a project with confidence. Learn the complex techniques to successful project management and develop your planning and problem solving skills.

NZ Certificate in Business (First Line Management) [Level 4]
Become a leader who motivates and inspires a team. Managing a team is all about having the confidence and the techniques to lead effectively. Gain the self-assurance to be a great leader. This programme will give you the systems and tools to lead in a capable and confident manner and the motivation to take your career in management to the next level.

NZ Diploma in Business [Level 5]
Advance yourself – gain the tools you require to be a great business person. Specialise in leadership and management, accounting, administration and technology, human resources, sales and marketing or project management.

COMPUTING

NZ Certificate in Computing Intermediate User [Level 3]
Balance your family life, work and other commitments comfortably while building on your introductory skills of the Microsoft Suite (Word and Excel) plus learn to use Access database web design skills.

NZ Certificate in Information Technology Essentials [Level 4]
Take the first step to a new career. It’s not always easy to change direction or start afresh but the rewards can be powerful. If you have decided that a new career in IT is just what you need, then this certificate will provide the first building block of your new career.

TEACHING

NZ Certificate in Adult and Tertiary Teaching [Level 5]
If you aspire to teach and want a career in adult and tertiary teaching or training, this is a fantastic qualification to set you on your teaching career path.

NZ Certificate in Adult Literacy and Numeracy Education Vocational Workplace [Level 5]
If you are a teaching practitioner and want to develop your skills in teaching numeracy and literacy to adult learners, this qualification is for you. Gain the tools to teach reading, writing and numeracy to adult learners.
BEAUTY

Te Kura Kaupapa Hauora, Hākinakina

In today's busy, stressful world, beauty therapists have people's happiness and wellbeing in their hands. Our programmes will give you all the skills you need for a rewarding career in the beauty industry. Plus you'll get hands-on experience looking after real clients using the latest equipment at 'Refresh', the EIT | Te Pūkenga on-campus beauty therapy clinic.

You can start by learning about skincare, makeup techniques and customer service. Other programmes cover varied beauty therapy treatments, including eyelash tinting, spray tanning, nail treatments and facials. Advance to the diploma and gain more skills in advanced treatments - skincare, spa treatments and electrolysis.

YOUR CAREER OPPORTUNITIES

There are many job opportunities in the beauty therapy and retail industries, ranging from cosmetic counters through to beauty therapy clinics and day spas.

HAIRDRESSING AND BARBERING
Te Kura Kaupapa Hauora, Hākinakina

HAIRDRESSING
Here’s your chance to earn a qualification that will help you get ahead in hairdressing. You’ll start by learning skills for hair styling, colouring, cutting, shampoo techniques and more.
In year two you’ll demand attention with your advanced creative skills in colouring, long and short hairstyling, haircutting techniques, perming and lots more. You’ll train in our commercial training salon ‘Elite’, and gain skills working with real clients under the guidance of expert lecturers.

BARBERING
From modern fades to the classic short back and sides, this certificate will equip you with the skills and techniques to set you on the path to becoming a professional barber. Students may also be involved with work experience throughout the year.
You will gain fundamental skills and knowledge required to begin working in an entry level role within the barbering workplace.

YOUR CAREER OPPORTUNITIES
HAIRDRESSING
Show your true style and follow your passion - there are lots of opportunities for qualified hairdressers.
You could create a career in local salons or head further afield, or perhaps have your own salon.
For a professional stylist with a flair for hair, anything is possible.

BARBERING
Graduating with the NZ Certificate in Commercial Barbering [Level 4] will open up a wide variety of future opportunities as a qualified barber.
The world will be your oyster and you could end up working in the following areas:
▶ Barbershop
▶ Salon support
▶ Salon reception
▶ At home or around the world
▶ Stylist
▶ Hair artistry
▶ Hair salons
▶ Retail sales

2023 QUALIFICATIONS

Join the School of Business for a qualification that can lead to employment locally, nationally or internationally. At EIT | Te Pūkenga you’ll receive a strong foundation in all aspects of business with theory and practical experience.

You can choose to specialise in accounting, digital business, operational management, human resources, sales and marketing or entrepreneurship. Your study will also focus on an internship where you can put theory into action to impress a prospective employer.

You’ll be taught by expert lecturers in classes which are exactly the right size to give you personal attention and involvement, so you can get down to business.

Our programmes are closely connected to the business and wider community so they are relevant and will help you build your networks for the future.

Qualified health and sport professionals make a positive difference in New Zealand.

You can study general health, disability and aged support, work and life skills (supported learning), mental health and addiction support.

The health and wellbeing programmes at EIT | Te Pūkenga mix study, practical experience and theory. You’ll study on campus, and also get experience through work placement or work experience in a wide range of community organisations.

You may want to prepare for a career in the sport, exercise and recreation industries. Sport and exercise programmes at EIT | Te Pūkenga are designed for people aiming to become highly qualified professionals in sport and exercise science, sport coaching, sport and recreation management, and leaders in the health and wellness industry. Alternatively, an outdoor adventure programme might set you on the path to a career in the adventure tourism industry.

Get first-hand experience with relaxation and remedial massage programmes. You can enter the Wellness and Relaxation Massage programme to learn the foundation skills of massage therapy. You can then progress into the NZ Diploma in Remedial Massage and learn specialist techniques including neuromuscular therapy, trigger point massage, identifying dysfunction in clients and more.

The EIT Institute of Sport and Health provides staff and students with access to cutting-edge facilities. It also provides an educational experience within an enthusiastic and supportive environment. You’ll also get experience in the superb Pettigrew Green Arena in Hawke’s Bay and in YMCA facilities in Tairāwhiti. The Pettigrew Green Arena has a modern exercise science laboratory, lecture theatre, stadium, gym and massage clinic.

MAŌRI STUDIES

Te Ūranga Waka (Hawke’s Bay)
Te Whatukura (Te Tairāwhiti)

"Piki ake, kake ake i te toi huarewa, te ara o Tāwhaki, i piki ai ki runga.”
The need to learn and speak the Māori language is greater than ever before.

Māori language is vital to New Zealand, and our identity. As Māori language becomes more widely used through Kōhanga reo, primary schools and Kura Kaupapa Māori, a new generation is embracing te reo Māori and ensuring that this special taonga is shared and treasured.

At Te Ūranga Waka in Hawke’s Bay and Te Whatukura in Te Tairāwhiti, our reo studies offer qualifications from basic introductory level learning through to a specialised masters programme, and gives you the opportunity to become proficient in Māori customs, culture and research.

YOUR CAREER OPPORTUNITIES

You can work in government departments, hospital boards, teaching (kōhanga, primary, secondary and tertiary), or work with local iwi as a liaison or policy advisor.

You could work in television and radio as a reporter, scriptwriter, announcer or bilingual researcher.

You can also take on key roles at your own marae and within your whānau, hapū and iwi.

Many employers now prefer bilingual and bicultural employees, especially as te reo Māori is an official language of New Zealand.

Agriculture | Apiculture | Horticulture | Commercial Road Transport | Environment

The food and fibre industry needs well-trained employees. EIT | Te Pūkenga offers programmes to meet the industry demand for skilled staff. Our Taradale campus now hosts the new Centre of Vocational Excellence for Food and Fibre in New Zealand.

EIT | Te Pūkenga delivers a range of qualifications targeted at the Primary Industry Sector. In our agriculture programmes you will gain hands-on skills in stock handling, vehicles and machinery, fencing, soils and pastures.

Demand for roles in the environmental management sector are growing as people’s awareness of environmental challenges and sustainability increases.

Our new environmental management programmes allow you to progress to degree level.

In our horticulture programmes you can choose from a wide range of qualifications. Learn all about soil types, plant science, propagation, pest and disease management, irrigation, harvesting and sustainable practices. Gain an understanding of horticultural technology and management.

You’ll have access to horticulture laboratories, greenhouses, propagation facilities and garden plots.

EIT | Te Pūkenga has a managed apprenticeship programme for fruit production apprentices. The apprentices work in Tairāwhiti and Hawke’s Bay’s biggest industry and gain qualifications and experience at the same time.

There are also diploma level horticulture programmes in fruit production and post-harvest. These are designed for those in industry who want to further their knowledge and careers.

The Certificate in Commercial Road Transport enables you to gain your Class 2, 4 and 5 licenses through the use of our truck and trailer, transporting goods around Hawke’s Bay and Tairāwhiti.

YOUR CAREER OPPORTUNITIES

Agriculture

The agricultural industry continues to grow and develop. As a qualified graduate you will be recognised as a skilled individual who has industry relevant skills. Our qualifications are designed to provide pathways irrespective of your initial skill level or knowledge. This could be as a farm assistant or contractor, through to a management or supervisory role across a variety of agricultural careers.

Horticulture

The horticulture industry continues to expand and a wide range of careers is available for qualified employees. The industry is using more and more technology and expensive equipment, and highly skilled employees are needed to manage and run them.

Careers can range from on-orchard managers and technical staff to those in the post-harvest industry who are essential for maintaining the quality of our local and export produce.

Apiculture

Beekeeping offers many exciting career opportunities, both in New Zealand and overseas. Opportunities include: hobbyist beekeeper, part-time or full-time employment through to ownership of a commercial beekeeping operation.

Graduates can work as an assistant beekeeper for a commercial operator or as an independent beekeeper with a small number of bee hives.

Commercial Road Transport

EIT | Te Pūkenga has strong connections with industry in commercial road transport. There is a general shortage of good qualified commercial drivers with Class 4 or 5 licenses. We enable students to find work experience placements with major trucking companies who are looking for keen and qualified drivers and have a good record of students, both male and female, who go on to employment upon graduation.

Te Kura Kaupapa Mātauranga, Pāpori

TEACHING
Learn to become a great teacher. EIT | Te Pūkenga teacher education perfectly balances theory, research and practice. As you study, you’ll work alongside experienced teachers in local early childhood settings or primary schools as part of the programme.

Teaching is a rewarding career, and our quality education programmes will help you develop your knowledge and skills for teaching.

SOCIAL WORK
Social workers are an integral part of today’s society and you could find yourself assisting in a range of areas from supporting individuals and communities, promoting social change and wellbeing, to working with government agencies at a policy level.

Our social work degrees will provide you with the knowledge, skills and attributes required for social work practice in a variety of settings such as schools, hospitals, community groups or government agencies.

YOUR CAREER OPPORTUNITIES

SOCIAL WORK
Social work is challenging and offers plenty of variety, and as a qualified social worker you’ll be taking on a career that is rewarding and fulfilling.

TEACHING
When you complete your early childhood education or primary teaching degree at EIT | Te Pūkenga you can apply for registration with the Teaching Council of Aotearoa New Zealand as a provisionally certified teacher.
ANIMAL MANAGEMENT & VETERINARY NURSING

Te Whare Tiaki Kararehe

Are you passionate about the care and welfare of animals? Here’s your chance to learn about this exciting world: from animal husbandry to anatomy and first aid. Plus, you will be responsible for the animal residents of the animal facility at EIT | Te Pūkenga. You will gain the skills necessary to assist veterinarians or help manage an animal facility.

YOUR CAREER OPPORTUNITIES

You could work with animals in a veterinary practice, animal facility, laboratory or animal hospital. You could also go on to earn a further qualification in veterinary nursing or science.

2023 QUALIFICATIONS

DEGREE

Michaela Vanner | Bachelor of Veterinary Nursing
Student (Hawke’s Bay Campus)
Here’s your chance to study viticulture and wine science in the heart of a premium New Zealand wine region. You can choose from a range of grapegrowing and winemaking programmes to suit your individual needs. You will learn from highly qualified and experienced lecturers, and gain invaluable experience at our superb teaching and research winery, vineyard, wine sensory and science laboratories. As part of your programme you will be exposed to a wide range of commercial vineyards, winery operations and industry professionals, adding authentic learning opportunities to your study.

YOUR CAREER OPPORTUNITIES
We pride ourselves on our strong connections with the local wine industry, which means you’ll be in a superb position to find employment once you graduate. Our programmes have an excellent global reputation, providing further opportunities to work in some of the world’s great wine regions.

UNDERSTANDING QUALIFICATIONS

<table>
<thead>
<tr>
<th>Programmes &amp; Courses</th>
<th>A programme results in a qualification and consists of a number of courses. Some programmes consist of compulsory courses while others have a selection of elective courses or a combination.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Credits</td>
<td>Courses consist of credits, and when a course is successfully completed, the credits will be counted towards the qualification. One credit usually equals 10 - 12 hours of learning.</td>
</tr>
<tr>
<td>Levels</td>
<td>Levels indicate the depth of knowledge and complexity of skills required. The higher the level, the more complex the concepts and skill sets. In New Zealand, the levels progress from Level 1 to Level 10.</td>
</tr>
<tr>
<td>Entry Criteria</td>
<td>See below for general entry criteria, however most programmes have further entry requirements. Please check specific entry criteria in the relevant programme information at eit.ac.nz.</td>
</tr>
<tr>
<td>Short Courses</td>
<td>Do not generally result in formal qualifications.</td>
</tr>
</tbody>
</table>
| Certificate          | Levels 1 - 4 | 12 weeks - 2 years  
Provides an introduction to a subject and may be a pathway to higher level study.
