TE AHO A MĀUI

# WELCOME

When you study at EIT you'll get experiences that will help you gain the knowledge and skills to get ahead, whether you want to break into your chosen career or change direction in life.

Become part of a vibrant learning community and be taught by experienced lecturers and tutors who have track records as respected academics, researchers and industry professionals.

Benefit from EIT's long-established connections with industry throughout New Zealand. Many of our programmes are field-based and hands-on to help you develop relevant work skills, gain practical experience and get useful industry contacts, which can set you on the path to a great job, all while you're studying.

Study at our modern well-equipped campuses, at our regional learning centres or at a pop-up location, and you'll gain invaluable experience using our facilities and state-of-the art technology.

There are a range of full-time, part-time and online study opportunities available to you as well as scholarships and free programme options.

At EIT, you'll get the support you need to help make sure you get rewarded for your hard work. If you're serious about study and your future, EIT is right behind you.

Learn in classes that are the right size to make sure you get the involvement and support you need. EIT provides help and guidance with everything from study planning to applying for a job after you complete your studies.

Be supported by lecturers and tutors who are here for you, within a learning environment where you are treated as an individual, not a number. They'll know your name and you'll receive one-on-one attention to make sure you get the support you need to succeed.

Alisha Stanford | Bachelor of Nursing  
Ella Ralph | Bachelor of Teaching (Primary)  
Anouk Van Seventer | Bachelor of Teaching (Primary)

# EXPERIENCED LECTURERS

At EIT, you can be confident in the quality of our teaching and your learning experience.

EIT is highly regarded in New Zealand for research excellence due to the quality of our community centred research, our publications and our external grant income provided by funding institutions who have confidence in our research capability. This means that your lecturers use the latest knowledge and research in their field of expertise to inform their teaching, and many are at the forefront of knowledge creation within their discipline area.

We ensure that we provide our students with opportunities to generate new knowledge during their programme of study, providing meaningful and authentic learning experiences.

We are committed to providing our students with a rich, rewarding research informed education experience through developing enquiring minds, exposure to the latest knowledge & thinking and changing the nature of the dialogue between lecturer and student to become one of partnership.

# CAMPUSES BUILT FOR YOUR NEEDS

EIT offers qualifications from certificate to postgraduate level at campuses in Hawke's Bay, Tairāwhiti (Gisborne) and Auckland (international students only). You can learn closer to home at one of the Regional Learning Centres in Hastings, Maraenui, Ruatōrea, Waipukurau and Wairoa, plus other pop-up centres near you.

Whilst much of the EIT campus in Taradale was severely damaged by Cyclone Gabrielle we have been working hard towards a full reopening for 2025. This rebuild has allowed us to rethink the Taradale Campus and to ensure that our spaces are better equipped to meet the requirements of today's students. The main campus at EIT Tairāwhiti and our Rural Studies Unit are in the heart of Gisborne, near the Taruheru River, and you can't get more central than EIT Auckland's location on Queen Street.

Our Regional Learning Centres are conveniently located, easy to access, close to public transport where possible and tailored to meet the needs of students and staff.

Our campuses have top quality facilities, purpose-built for EIT programmes, including high-tech trades workshops, professional-standard training kitchens and fully-equipped wine science and viticulture laboratories.

Make use of the campus-wide free wifi and you can have your work professionally printed through our fully-equipped printing services (Reprographic) who handle everything from large format printing to document binding, for a price that won't put a dent in your finances.

Hungry after all your study? You can enjoy bustling campus cafés and student training cafés to catch up with fellow students over a cup of coffee or lunch.

## ACCOMODATION WHILE YOU STUDY

Accommodation is available in the EIT Student Village opposite the Hawke's Bay Campus.

The Student Village is a self-catering complex of 12 villas housing six students in each. Both New Zealand and international students live together (mixed gender). Each student has their own furnished bedroom. Students share lounge, kitchen, dining, laundry and bathroom facilities in each villa.

Rooms fill fast so enquire today.

Contact: [eitsv@eit.ac.nz](mailto:eitsv@eit.ac.nz) or download an application form at [eit.ac.nz](http://eit.ac.nz).

The EIT Tairāwhiti main campus is located in the city centre

Gisborne city centre

EIT Hawke's Bay Campus located in Taradale

# STUDENT SUPPORT

Studying takes determination, commitment and self-discipline. As a student at EIT, you can get support to help you focus on what really matters – your studies and your future.

When you become a student at EIT, it may be your first time away from home, or the first time you've studied at this level. It may all be very new to you.

Your studies will take up a lot of your time, so you may need a hand with other parts of life.

To help you get the most out of your time here, EIT offers you support in all sorts of ways. Whether you're after help to choose the right subjects or you need some guidance to show you the best way to get into your chosen career, there's someone available to help.

Get personal one-on-one help from friendly experts at EIT who have plenty of experience assisting students like you. They're on campus to offer advice, information and guidance.

We want your time at EIT to be exciting, productive and successful, so make sure you take advantage of all the support we offer.

## DISABILITY SUPPORT

Support is available for students with physical, sensory, intellectual, and learning disabilities (including dyslexia, dyspraxia and other neurodiversity) and mental health conditions. Support is designed to provide equitable opportunities and is available to all students with permanent or temporary disabilities or health conditions, including when recovering from injury or surgery. Services are available depending upon your needs and range from information and advice to technology solutions and alternative arrangements for test and exams.

Our disability peer support group Te Rōpu Āwhina meets regularly on the Hawke's Bay Campus to share kai, connection and wellbeing.

Hawke's Bay Campus on (06) 974 8000

Tairāwhiti Campus on (06) 869 0810

## WELLBEING SUPPORT

Wellbeing support is available to all students. We can help you to identify your goals, support your needs, and connect you with appropriate support on and off campus. We use Te Whare Tapa Whā as our guiding model for holistic support and connectedness.

We have a Rainbow Diversity peer support group Te Roopu Āniwaniwa on the Hawke's Bay Campus, as well as wellbeing drop ins and workshops to support you to maintain and improve your wellbeing.

## ACADEMIC LEARNING SERVICES

You can get help and advice on all aspects of study, including study skills, writing assignments, computing, maths, academic writing and planning study time.

## TRADES ACADEMY

The Trades Academy is a partnership with your school. If you're at secondary school you can get practical, hands-on training in trades and other programmes, one or two days a week. You can earn credits towards your NCEA levels 2 or 3. The Trades Academy is a great way to discover your vocational pathway and prepare you for higher level study.

## CHAPLAINCY

EIT has a team of chaplains available for you. They are mostly volunteers and represent all the main faiths and forms of spirituality.

## CAREER SERVICES

EIT Career Development Services can help you make career choices, work out what to study, and give you guidance and information about finding a job, or kick-starting your career.

## CHILDCARE

Ōtātara Children's Centre at EIT Hawke's Bay and Manaaki Tamariki Childcare Centre at EIT Tairāwhiti are available, giving you peace of mind that your children are in safe hands while you study. Bookings are essential.

## EIT STUDENTS' ASSOCIATION

YOUnted is here to represent you. From looking after your interests to organising social events and activities. Plus YOUnted arranges discounts and exclusive deals for EIT students only.

## STUDYLINK SUPPORT

We have staff available on campus every day for StudyLink support.

## SCHOOLS AND COMMUNITY LIAISON

The liaison team at EIT can hold events and presentations for secondary schools, community and industry, either on campus or at your location. In addition to regular information and enrolment days, groups and individuals can book a campus tour year-round.

## POUWHIRINAKI – MĀORI STUDENT SUPPORT

You can get advice, mentoring and support for cultural needs and values, te reo Māori, waiata and tikanga, scholarships, iwi and hapū registrations and grants.

## PASIFIKA STUDENT SUPPORT

Our Pasifika student support team aims to create a trusting and culturally inviting space for students to feel supported and thrive in their education journey. Our team is passionate and dedicated to removing barriers to learning by working with students and their aiga and staff in ensuring diversity and equity is met. We support students with studylink, tutor support, wraparound support and mentoring, cultural competency and much more.

## LIBRARY

The EIT libraries at both the Hawke's Bay and Tairāwhiti Campuses provide a range of facilities for student use. These include individual and quiet study areas, and group and social spaces in a relaxed and friendly environment. Our librarians are available to assist students with an extensive range of print and online resources. A wide range of electronic resources and online study and computer guides can be accessed both on and off campus via the student portal: [myeit.eit.ac.nz](http://myeit.eit.ac.nz). There is no physical library space on Taradale Campus at the moment in Hawke's Bay (due to cyclone damage) but library services are available online and through the library team based in M Block.

Chardae Gillies-Tonihi | Te Pokaitahi Reo (Kaupae 3)  
Keri Karena | Bachelor of Arts (Māori)  
Haki Karena | Te Pokaitahi Reo (Kaupae 3)

# FINANCIAL SUPPORT FOR YOUR STUDY

EIT has a number of ways to help financially support your study. This could be through one of the many free programmes we offer or the range of scholarships we have available.

Scholarships make life easier by helping to cover your fees and living expenses while you complete your qualification. You don't always need to be an academic high-flyer to qualify.

We offer scholarships to eligible Māori and Pasifika students, scholarships for postgraduate students, and some scholarships that are generously offered by our industry partners.

The Year 13 Scholarship available at EIT for instance, allows high school leavers to study a full year for free\*. Last year, many students received this grant and will be able to finish their degree with a manageable student loan. For these students this scholarship is one of the reasons why they chose EIT over a bigger university.

EIT is also delighted to be one of the New Zealand tertiary institutions to offer a fees free year of tuition for eligible first-time tertiary students through the Government Fees Free initiative.

There are many other scholarships that are specific to the programme that you decide to study, be it nursing, horticulture, business or trades.

So make sure you find out what's available at [eit.ac.nz/students/scholarships](http://eit.ac.nz/students/scholarships) or for general scholarship information please contact [scholarships@eit.ac.nz](mailto:scholarships@eit.ac.nz).

## FREE\* PROGRAMMES

EIT offers a range of programmes that are currently FREE\*.

Check out [free.eit.ac.nz](http://free.eit.ac.nz) for a full list of programmes and more information.

\* Conditions apply

Celia Brooking | Automotive Engineering  
Cody Anderson | Bachelor of Business Studies  
Julia Pagsanja | Bachelor of Nursing  
Corey Newman | Bachelor of Accounting

# YEAR 13 SCHOLARSHIP

Our Year 13 Scholarship supports school leavers across the Hawke's Bay and Tairāwhiti regions to study any one of our degrees or selected level 5 certificate and diploma programmes that lead into a degree by providing 1 year FREE\* study.

Live outside these regions? No problem, there are some programmes that are available nationwide, so if you are Year 13 and want to study one of these, you can apply for this scholarship too.

The Year 13 Scholarship covers one year of tuition fees including any course related costs which have been approved to be included as part of the scholarship. When combined with the Government Fees Free initiative, some Year 13 Scholarship recipients are studying fees free for two years of their degree.

# FIND YOUR IT

Some people know exactly what they want to do in life, so choosing what to study is easy for them. They know what they are good at; they know their strengths and how they want to use them. But for many people it's not so easy. There are lots of courses, many different jobs, and plenty of career choices out there. So making the right decision about what to study can seem daunting.

It's important to get lots of information to help you make a well-informed decision. A good place to start is the Government's Careers NZ website at [careers.govt.nz](http://careers.govt.nz).

It's a good idea to think about what you're interested in. Spend some time thinking about what you like and don't like, and what you're good at. If you have a profession in mind, you could talk to people who are working in the industry. They can tell you which skills, experience and qualifications you need.

You may find that you have knowledge, skills or previous achievements that can count towards your qualification. At EIT, we've got lots of experience supporting students to make important decisions and pointing them in the right direction. Come and have a chat with us. We can put you in touch with programme coordinators and arrange an appointment to talk about your career, training and education choices.

## CAREER PREPARATION

If you need study or career advice, come and talk to our team. We can help with your career preparation, helping you to explore different career opportunities and help choose the right study options for you. The following services are offered to all current students and graduates of EIT.

- ▶ Career Planning
- ▶ Career Preparation
- ▶ Course Advice
- ▶ CV and Cover Letter
- ▶ Job Search Strategies
- ▶ Interview Preparation

Career planning and course advice is offered to future students and members of the public who are considering their future study and employment options.

Contact: [careers@eit.ac.nz](mailto:careers@eit.ac.nz) or call (06) 830 1230

# UNDERSTANDING QUALIFICATIONS

Programmes & Courses	A programme results in a qualification and consists of a number of courses. Some programmes consist of compulsory courses while others have a selection of elective courses or a combination of both compulsory and elective courses.
Credits	Courses consist of credits, and when a course is successfully completed, the credits will be counted towards the qualification. One credit usually equals 10–12 hours of learning.
Levels	Levels indicate the depth of knowledge and complexity of skills required. The higher the level, the more complex the concepts and skill-sets. In New Zealand, the levels progress from Level 1 to Level 10.
Entry Criteria	See below for general entry criteria, however most programmes have further entry requirements. <b>Please check the specific entry criteria in the relevant programme information at <a href="http://eit.ac.nz">eit.ac.nz</a>.</b>
Short Courses	Do not generally result in formal qualifications.
Certificate	<b>Levels 1–4   12 weeks –2 years</b> Provides an introduction to a subject and may be a pathway to higher level study. <b>Entry Criteria: <a href="#">Most are open entry</a></b>
Diploma	<b>Levels 4–6   1–2 years   120 credits</b> <b>Entry Criteria: <a href="#">NCEA Level 2 or Level 3</a></b>
Bachelor Degree	<b>Level 7   3–4 years   360 credits   Honours: Level 8   480 credits</b> <b>Entry Criteria: <a href="#">University Entrance</a></b>
Graduate Certificate Graduate Diploma	<b>Level 7   6 months –2 years   Certificate: 60 credits   Diploma: 120 credits</b> This allows a degree graduate to study further courses at the same level as their degree but in a different or additional specialisation. <b>Entry Criteria: <a href="#">Bachelor's Degree</a></b>
Postgraduate Certificate Postgraduate Diploma	<b>Level 8   6 months –1 year   Certificate: 60 credits   Diploma: 120 credits</b> Postgraduate study extends knowledge and skills after completing a Bachelor's Degree, and prepares students for independent research. <b>Entry Criteria: <a href="#">Bachelor's Degree in a related field</a></b>
Master Degree	<b>Level 9 and above   1.5–2 years   180–240 credits</b> A Master's Degree qualifies individuals who apply an advanced body of knowledge in a range of contexts for research, a pathway for further learning and professional practice. <b>Entry Criteria: <a href="#">Bachelor's Degree in a related field</a></b>

# HOW TO ENROL

There is an easy 3-step process to follow when enrolling at EIT.

## 1 FIND YOUR PROGRAMME

Go online to [eit.ac.nz](http://eit.ac.nz) to see the programmes available for you to study at EIT. Once you find a programme you are interested in, you can download course information to find out more.

## 2 APPLY

### *Using your RealMe Account*

You can use your RealMe verified identity to apply for study at EIT. If you use your RealMe verified identity you won't need to provide us with a copy of your primary ID or sign a copy of your application.

### *Don't have a RealMe Account?*

If you apply online without using RealMe then you will be sent a summary of your enrolment to check and sign. Your enrolment won't progress until you have sent this back to us. Please return this quickly along with any documentation we request from you, so we can progress your application.

### *Applying by post*

You can also apply using a paper enrolment form. Please email us at [info@eit.ac.nz](mailto:info@eit.ac.nz) and we will send one out to you.

Once your application has been processed, you will be contacted by your programme's administrative team. They will provide you with programme information including the start date of your study and any special information regarding your programme.

You may also be sent course selection forms which you need to complete and return to us. Depending on your chosen programme of study, you may be invited to attend an interview before you are fully enrolled.

### *In person*

You can return your enrolment form with any additional documentation and your identification to any of EIT's Regional Learning Centres, or at the Hawke's Bay or Tairāwhiti Campus.

## 3 ARRANGE PAYMENT

Full payment of enrolment fees must be arranged before the start of your programme. You will receive an invoice with payment details.

Fees Free Government Scheme: Tertiary education is fees free for eligible domestic tertiary students. To check you are eligible, go to [FeesFree.govt.nz](http://FeesFree.govt.nz) and enter your National Student Number (NSN).

If you are not eligible you will be responsible for paying your fees.

You can find out more about scholarships and other options for paying your fees at [eit.ac.nz](http://eit.ac.nz).

## STUDENT LOANS AND ALLOWANCES

If you need to pay for your own study you can choose to apply for a Student Loan and/or Student Allowance with StudyLink. StudyLink is a service of the Ministry of Social Development.

Apply well before your programme begins (even if you haven't been accepted yet) so you will be ready to get your payments when you need them most, and can pay for your programme of study.

Check out what you qualify for at [studylink.govt.nz](http://studylink.govt.nz).

## STUDENT SERVICES LEVY

The Student Services Levy is a compulsory, non-tuition fee that is charged to students enrolled at EIT. The levy is to contribute to the provision of quality student services that support learning.

The funds received by EIT from the levy are ring-fenced, meaning they can only be spent on student services.

# BEAUTY

## Te Kura Kaupapa Hauora, Hākinakina

In today's busy, stressful world, beauty therapists have people's happiness and wellbeing in their hands. Our programmes will give you all the skills you need for a rewarding career in the beauty industry.

You'll get hands-on experience looking after real clients using the latest equipment in our beauty therapy clinic 'Refresh', which is strategically located in Napier's CBD to ensure a flow of customers and clients from the public, and realistic work place experience.

We have qualifications at all levels, to suit all students.

Programmes cover varied beauty therapy treatments, including eyelash tinting, spray tanning, nail treatments and facials.

Advance to the diploma and gain skills in advanced treatments – skincare, spa treatments and electrolysis.

Offered in Hawke's Bay only.

### 2025 QUALIFICATIONS\*

- ▶ NZ Diploma in Beauty Therapy [Level 5]  
1 year full-time | February & July
- ▶ NZ Certificate in Beauty Therapy [Level 4]  
1 year full-time | February & July
- ▶ NZ Certificate in Makeup & Skin Care (Introduction) [Level 3]  
17 weeks full-time | February & July
- ▶ FREE NZ Certificate in Foundation Skills (Hair and Beauty) [Level 2]  
17 weeks full-time | February & July

*\*Part-time study may be available. Intakes may vary depending on location. Fees Free may be available. All information is correct at time of print but subject to change without notice. Conditions apply.*

### YOUR CAREER OPPORTUNITIES

There are many job opportunities in the beauty therapy and retail industries, ranging from cosmetic counters through to beauty therapy clinics and day spas.

To find out more check out [beauty.eit.ac.nz](http://beauty.eit.ac.nz)

Tatham Lamont & Georgina Philips | NZ Certificate in Beauty Therapy

# HAIRDRESSING & BARBERING

Te Kura Kaupapa Hauora, Hākinakina

## HAIRDRESSING

Here's your chance to earn a qualification that will help you get ahead in hairdressing. You'll start by learning skills for hair styling, colouring, cutting, shampoo techniques and more.

With our NZ Certificate in Hairdressing Level 4 you'll demand attention with your advanced creative skills in colouring, long and short hairstyling, haircutting techniques, perming and lots more. You'll train in our commercial training salon 'Elite', where you will gain skills working with real clients under the guidance of expert lecturers.

Offered in Hawke's Bay only.

## YOUR CAREER OPPORTUNITIES

### HAIRDRESSING

Get practical skills backed up by theoretical knowledge using project based learning. From simple blow waves to fashion-focused colouring techniques, you can get creative!

These certificates will equip you with the skills and techniques to allow you to become a fully qualified professional stylist in two years.

- ▶ Stylist
- ▶ Hair artistry
- ▶ Hair salons
- ▶ Retail sales

## 2025 QUALIFICATIONS\*

### HAIRDRESSING

- ▶ NZ Certificate in Hairdressing (Emerging Stylist) [Level 4]  
1 year full-time | February & July
- ▶ NZ Certificate in Hairdressing [Level 3]  
1 year full-time | February & July
- ▶ FREE NZ Certificate in Foundation Skills (Hair and Beauty) [Level 2]  
17 weeks full-time | February & July

### BARBERING

- ▶ NZ Certificate in Commercial Barbering [Level 4]  
1 year full-time | February

\*Intakes may vary depending on location. Fees Free may be available. All information is correct at time of print but subject to change without notice. Conditions apply.

## BARBERING

From modern fades to beard trims to the classic short cuts, our Certificate in Commercial Barbering will see you become fully qualified in one year.

Learn barbering practice and theory from skilled professionals. Sharpen your barbering skills under supervision in our commercial barber shop FadEIT.

Open up your career opportunities in this exciting, creative industry.

Offered in Hawke's Bay only.

### BARBERING

The NZ Certificate in Commercial Barbering is intended as a stand-alone qualification in Barbering.

Upon graduating the world will be your oyster, and career opportunities include:

- ▶ Barbershop
- ▶ Salon support
- ▶ Salon reception
- ▶ At home or around the world

Talesha Ker | Barbering Graduate

To find out more check out  
[hair.eit.ac.nz](http://hair.eit.ac.nz)

## YOUR CAREER OPPORTUNITIES

In this highly competitive world, businesses and organisations need people with skills and knowledge that can give them an edge.

Opportunities for qualified business people include starting your own business, or working in private companies, government and non-profit sectors.

# BUSINESS

## Te Kura Kaupapa Kaipakihi

Accounting | Marketing | Digital Business | Management | Logistics and Supply Chain Management | Human Resources

Join the School of Business for a qualification that can lead to employment locally, nationally or internationally.

At EIT you'll receive a strong foundation in all aspects of business with theory and practical experience.

You can choose to specialise in accounting, digital business, operational management, human resources, sales and marketing or business analytics, logistics & supply chain management and entrepreneurship. Your study will also focus on an internship where you can put theory into action to impress a prospective employer.

You'll be taught by expert lecturers in classes which are exactly the right size to give you personal attention and involvement.

Our programmes are closely connected to the business and wider community so they are relevant and will help you build your networks for the future.

You may even find that you have knowledge, skills or previous achievements that can count towards your qualification.

Cody Anderson | Bachelor of Business Studies

*\*Part-time study may be available. Intakes may vary depending on location. Fees Free may be available. All information is correct at time of print but subject to change without notice. Conditions apply.*

# COMPUTING

## Te Kura Pūkenga Rorohiko

Software | Infrastructure | Analytics and Information |  
Machine Learning and Automation

At EIT you can gain a practical hands-on qualification that is designed to help you gain employment in the IT industry.

All courses include real-world examples and case studies.

The Bachelor of Computing Systems includes an internship or project, which ensures that all graduates are work-ready for demanding technology positions.

Part-time study options are available for the graduate diploma and postgraduate programmes to provide you with the flexibility for upskilling or to cater for those wanting to gain a qualification whilst working.

Many Bachelor of Computing Systems students have managed to secure their first professional graduate IT role during their compulsory internship, by proving their mettle in the real world, and bootstrapping their IT career through the relationships built by studying locally, and engaging with industry.

As an in-demand IT graduate you can take your skills anywhere in the world, be well paid and work in a fast-paced and constantly evolving industry.

There's a huge variety of jobs, so take your pick.

### YOUR CAREER OPPORTUNITIES

Gain a practical qualification to help you seek employment in the well-paid, fast-moving IT industry.

There is a huge variety of jobs depending on your specialisation and passion, including business/systems analyst, data and business intelligence analyst, programmer/developer, database administrator, helpdesk and IT support, systems and network administrator, Internet of Things and automation support.

Joshua Vincent Reedy | Bachelor of Computing Systems Graduate

# HEALTH & SPORT SCIENCE

## Te Kura Kaupapa Hauora, Hākinakina

Health & Wellbeing | Mental Health | Health Science |

Relaxation & Remedial Massage | Sport, Recreation & Exercise Science

Qualified health and sport professionals make a positive difference in New Zealand.

You can study general health, disability and aged support, work and life skills (supported learning), mental health and addiction support.

The health and wellbeing programmes at EIT mix study, practical experience and theory. You'll study on campus, and also get experience through work placement or work experience in a wide range of community organisations.

You may want to prepare for a career in the sport, exercise and recreation industries. Sport and exercise programmes at EIT are designed for people aiming to become highly qualified professionals in sport and exercise science, sport coaching, sport and recreation management, and leaders in the health and wellness industry. Alternatively, an outdoor adventure programme might set you on the path to a career in the adventure tourism industry.

Get first-hand experience with relaxation and remedial massage programmes. You can enter the Wellness and Relaxation Massage programme to learn the foundation skills of massage therapy.

You can then progress into the NZ Diploma in Remedial Massage and learn specialist techniques including neuromuscular therapy, trigger point massage, identifying dysfunction in clients and more.

The EIT Institute of Sport and Health provides staff and students with access to cutting-edge facilities. It also provides an educational experience within an enthusiastic and supportive environment.

You'll also get experience in the superb Pettigrew Green Arena in Hawke's Bay and in YMCA facilities in Tairāwhiti. The Pettigrew Green Arena has a modern exercise science laboratory, lecture theatre, stadium, gym and massage clinic.

*\*Part-time study may be available. Intakes may vary depending on location. Fees Free may be available. All information is correct at time of print but subject to change without notice. Conditions apply.*

*<sup>1</sup>Please note that this programme of study is currently under review as part of the reform of vocational education training. The objective is to provide programmes for Te Pūkenga that are portable, consistent, and more closely aligned with the needs of industry. As the review is ongoing, this prospectus is correct at the time of publishing but the courses outlined may change over time.*

## YOUR CAREER OPPORTUNITIES

Reading, writing, listening to and speaking English effectively and confidently benefits you, no matter what your job or career.

Being proficient in English helps create opportunities. In any workplace it's important to communicate, and having a good command of the English language will help you, now and in the future.

# ENGLISH LANGUAGE

## Te Puna Reo Ingarihi

Learning English can open doors to work, study and friendship.

At EIT you'll be able to improve your English in well-equipped classrooms, where the focus is on interaction and conversation.

You'll learn to 'live the language' as you develop your skills, taught by highly qualified and experienced teachers. You can also make full use of specific English Language software to extend your learning.

EIT is a PELT (Pre-purchased English Language Tuition) approved provider.

Offered in Hawke's Bay only.

## 2025 QUALIFICATIONS\*

### CERTIFICATES

- ▶ FREE NZ Certificate in English Language (NZCEL)  
16 weeks per qualification full-time | Various start dates

Rachael Tusa | Bachelor of Nursing Graduate

## YOUR CAREER OPPORTUNITIES

As a registered nurse, clinical nurse specialist, registered nurse prescriber or nurse practitioner your career will be highly rewarding, you'll experience challenges and variety as you make a positive difference in people's lives.

To find out more check out [nursing.eit.ac.nz](https://nursing.eit.ac.nz)

# NURSING & HEALTH SCIENCE

## Te Kura Kaupapa Tapuhi

Nursing is one of the most exciting and rewarding study areas available. You can study at EIT to become a registered nurse, and choose to go on to our postgraduate programmes.

EIT offers a range of postgraduate nursing programmes, including the Postgraduate Diploma in Health Science (Registered Nurse Prescribing), Master of Nursing Science and the Master of Nursing (Nurse Practitioner Pathway).

Supportive and expert lecturers will help you gain knowledge and skills to become a registered or advanced nurse. You'll study at some of the best nursing teaching facilities in New Zealand, and you'll use state-of-the-art technology as part of your studies, including well-equipped clinical simulation laboratories. Nursing graduates are highly sought after by employers.

# MĀORI STUDIES

## Te Ūranga Waka (Hawke's Bay) Te Whatukura (Te Tairāwhiti)

"Piki ake, kake ake i te toi huarewa, te ara o Tāwhaki, i piki ai ki runga."  
The need to learn and speak the Māori language is greater than ever before.

Māori language is vital to New Zealand, and our identity. As Māori language becomes more widely used through Kōhanga reo, primary schools and Kura Kaupapa Māori, a new generation is embracing te reo Māori and ensuring that this special taonga is shared and treasured.

At Te Ūranga Waka in Hawke's Bay and Te Whatukura in Te Tairāwhiti, our te reo studies offer qualifications from basic introductory level learning through to a specialised masters programme, and gives you the opportunity to become proficient in Māori customs, culture and research.

### YOUR CAREER OPPORTUNITIES

You can work in government departments, hospital boards, teaching (kōhanga, primary, secondary and tertiary), or work with local iwi as a liaison or policy advisor.

You could work in television and radio as a reporter, scriptwriter, announcer or bilingual researcher.

You can also take on key roles at your own marae and within your whānau, hapū and iwi.

Many employers now prefer bilingual and bicultural employees, especially as te reo Māori is an official language of New Zealand.

To find out more check out  
[maori.eit.ac.nz](http://maori.eit.ac.nz)

# TOIHOUKURA

## School of Māori Visual Arts

**Toihoukura! Toihouora e!**

**Toihoukura—Enriching Lives!**

Contemporary Māori visual arts that looks to the past to shape the future of Toi Māori across Aotearoa and other First Nations.

You will be encouraged to be an independent artist, guided by your own environmental context and your own creative insights.

All students will work in individual and collaborative art projects. Wānanga based learning is unique to Toihoukura. Students will be able to curate exhibitions on a regular basis.

Studying at Toihoukura is a holistic experience in learning to create art that finds its origins in Te Ao Māori through mātauranga and contemporary art techniques that will shape future of Toi Māori.

Toihoukura runs its unique, world-class programmes primarily from our Tairāwhiti Campus.

# TOURISM & TRAVEL

## Te Kura Kaupapa Tāpoi, Ringa Hora

By studying with EIT you can take a big step towards working in one of the world's biggest industries. If you love tourism, and want to help others explore our beautiful country, then study for a qualification that can really take you places.

Close links with industry partners provide you with hands-on experience in a work environment.

### 2025 QUALIFICATIONS\*

#### DIPLOMA

- ▶ NZ Diploma in Tourism and Travel | 1 year full-time | February

#### CERTIFICATES

- ▶ NZ Certificate in Tourism [Level 4] | 19 weeks full-time | July
- ▶ NZ Certificate in Tourism [Level 3] | 19 weeks full-time | February & July

*\*Part-time study may be available. Intakes may vary depending on location. Fees Free may be available. All information is correct at time of print but subject to change without notice. Conditions apply.*

#### YOUR CAREER OPPORTUNITIES

Graduates can gain employment in the exciting world of tourism in a variety of roles.

These could be as a travel consultant, iSite employee, flight attendant, attractions guide, tour guide, airline ground staff or hotel reception.

To find out more check out [tourism.eit.ac.nz](https://tourism.eit.ac.nz)

## YOUR CAREER OPPORTUNITIES

### AGRICULTURE

Working outdoors is not for everyone, but if you like the sun on your back, working with sheep and cattle and like the idea of having a working dog by your side then this might be the career for you. As a qualified graduate you will be recognised as a skilled individual who has industry relevant skills. Our qualifications are designed to provide pathways irrespective of your initial skill level or knowledge. This could be as a farm assistant or contractor, through to a management or supervisory role across a variety of agricultural careers.

### HORTICULTURE

The horticulture industry continues to expand and a wide range of careers are available for qualified employees. The industry is using more and more technology and expensive equipment, and highly skilled employees are needed to manage and run them.

Careers can range from on-orchard managers and technical staff to those in the post-harvest industry who are essential for maintaining the quality of our local and export produce.

### APICULTURE

Beekeeping offers many exciting career opportunities, both in New Zealand and overseas. Opportunities include: hobbyist beekeeper, part-time or full-time employment through to ownership of a commercial beekeeping operation.

Graduates can work as an assistant beekeeper for a commercial operator or as an independent beekeeper with a small number of beehives.

### ENVIRONMENTAL STUDIES

Increase your knowledge and understanding of the ever-expanding world of environmental management and sustainability. There are a range of careers in the environmental space including Park Ranger, Environmental Consultant/Technician, Conservation Officer, Environmental Researcher and Resource Management Adviser/Consultant just to name a few.

# PRIMARY INDUSTRIES

## Te Kura Ahumahi Matua

### Agriculture | Apiculture | Horticulture | Environment

The Primary Industries sector is one of New Zealand's largest economic drivers and provides employment to over 350,000 people. EIT offers programmes to meet the industry demand and make you highly sought after in the industry.

EIT delivers a range of qualifications targeted at the Food and Fibre Sector. In our agriculture programmes you will gain hands-on skills in stock handling, farm operations, vehicles and machinery, fencing, soils and pastures.

Demand for roles in the environmental management sector are growing as people's awareness of environmental challenges and sustainability increases.

Our new environmental management programmes allow you to progress to degree level.

In our horticulture programmes you can choose from a wide range of qualifications. Learn all about soil types, plant science, propagation, pest and disease management,

irrigation, harvesting and sustainable practices. Gain an understanding of horticultural technology and management.

You'll have access to horticulture laboratories, greenhouses, propagation facilities and garden plots.

EIT has a managed apprenticeship programme for those employed in the fruit industry. The apprentices work in Tairāwhiti and Hawke's Bay's biggest industry and gain qualifications and experience at the same time.

There are also diploma level horticulture programmes in fruit production and post-harvest. These are designed for those working in industry who want to further their knowledge and careers.

Our apiculture programme will support you to manage and run your own hives and/or develop the skills necessary to enter the industry.

## 2025 QUALIFICATIONS\*

Seth London | NZ Certificate in Carpentry [Level 4] Graduate

# TRADES & TECHNOLOGY

## Te Kura Kaupapa Ringa Rehe, Hangarau

EIT trades and technology qualifications are all about giving you plenty of hands-on practical experience, like constructing a building, wiring a house, or repairing vehicles. You can study foundation programmes and try your hand at a range of trades, then go on to specialist training at EIT.

You may be eligible for help with paying your fees through an EIT Youth Scholarship or the Māori and Pasifika Trades Training scheme, Te Ara o Tākitimu and Te Toka.

If you're already working as a tradesperson, you can get career development to help you take your next step up the ladder.

\* To be accepted into one of the Apprenticeship Programmes, applicants need to be currently working in the industry.

#### YOUR CAREER OPPORTUNITIES

Qualified, professional tradespeople are always in demand.

You could score a great career in architecture, carpentry, electrical engineering, automotive, plumbing and gasfitting or engineering, including machining, welding and fabrication.

To find out more check out [trades.eit.ac.nz](https://trades.eit.ac.nz)

\*Part-time study may be available. Intakes may vary depending on location. Fees Free may be available. All information is correct at time of print but subject to change without notice. Conditions apply.

# TEACHING & SOCIAL WORK

## Te Kura Kaupapa Mātauranga, Pāpori

### TEACHING

Learn to become a great teacher. EIT teacher education perfectly balances theory, research and practice.

As you study, you'll work alongside experienced teachers in local early childhood settings or primary schools as part of the programme.

Teaching is a rewarding career, and our quality education programmes will help you develop your knowledge and skills for teaching.

### SOCIAL WORK

Social workers are an integral part of today's society and you could find yourself assisting in a range of areas from supporting individuals and communities, promoting social change and wellbeing, to working with government agencies at a policy level.

Our social work degrees will provide you with the knowledge, skills and attributes required for social work practice in a variety of settings such as schools, hospitals, community groups or government agencies.

### YOUR CAREER OPPORTUNITIES

#### SOCIAL WORK

Social work is challenging and offers plenty of variety, and as a qualified social worker you'll be taking on a career that is rewarding and fulfilling.

#### TEACHING

When you complete your early childhood education or primary teaching degree at EIT you can apply for registration with the Teaching Council of Aotearoa New Zealand as a provisionally certified teacher.

To find out more check out [teaching.eit.ac.nz](https://teaching.eit.ac.nz) or [socialwork.eit.ac.nz](https://socialwork.eit.ac.nz)

<sup>1</sup>Please note that this programme of study is currently under review as part of the reform of vocational education training. The objective is to provide programmes for Te Pūkenga that are portable, consistent, and more closely aligned with the needs of industry. As the review is ongoing, this prospectus is correct at the time of publishing but the courses outlined may change over time.

Corey Boocock | Bachelor of Teaching (Primary)

# ANIMAL MANAGEMENT & VETERINARY NURSING

## Te Whare Tiaki Kararehe

Are you passionate about the care and welfare of animals? Here's your chance to learn about this exciting world: from animal husbandry to anatomy and first aid. Plus, you will be responsible for the animal residents of the animal facility at EIT. You will gain the skills necessary to assist veterinarians or help manage an animal facility. Offered in Hawke's Bay only.

### YOUR CAREER OPPORTUNITIES

You could work with animals in a veterinary practice, animal facility, laboratory or animal hospital.

You could also go on to earn a further qualification in veterinary nursing or science.

### 2025 QUALIFICATIONS\*

#### DEGREE

- ▶ Bachelor of Veterinary Nursing | 3 years full-time | February

#### DIPLOMA

- ▶ NEW: NZ Diploma in Veterinary Nursing [Level 6] (Companion Animal Strand) | 2 years full-time | February 2025 onward
- ▶ Current: NZ Diploma in Veterinary [Level 6] (Companion Animal Strand) | 1 year full-time | Final offering: February 2025

#### CERTIFICATES

- ▶ NZ Certificate in Animal Care [Level 3] (Companion Animal strand) | 21 weeks full-time | February & July
- ▶ NZ Certificate in Study & Employment Pathways [Level 4] | 17 weeks full-time | February & July
- ▶ NZ Certificate in Study & Employment Pathways [Level 3] | 19 weeks full-time | February & July

# VITICULTURE & WINE SCIENCE

## Te Kura Mātai Wāina

Here's your chance to study viticulture and wine science in the heart of a premium New Zealand wine region.

You can choose from a range of grapegrowing and winemaking programmes to suit your individual needs.

You will learn from highly qualified and experienced lecturers, and gain invaluable experience at our superb teaching and

research winery, vineyard, wine sensory and science laboratories.

As part of your programme you will be exposed to a wide range of commercial vineyards, winery operations and industry professionals, adding authentic learning opportunities to your study.

Offered in Hawke's Bay only.

### YOUR CAREER OPPORTUNITIES

We pride ourselves on our strong connections with the local wine industry, which means you'll be in a superb position to find employment once you graduate.

Our programmes have an excellent global reputation, providing further opportunities to work in some of the world's great wine regions.

To find out more check out [wine.eit.ac.nz](http://wine.eit.ac.nz)
