If you think you may qualify, you may want to apply for Cross Credit or Recognition of Prior Learning.

- Cross Credit is based on the equivalency of courses or qualifications. You would apply for Cross Credit if you have passed a very similar course at the same level.
- Recognition of Prior Learning (RPL) is based on the assessment of your current knowledge and skills. You would apply for RPL if you had gained the relevant knowledge and skills through life experiences and informal learning situations.

You will be asked to provide details of anything that you would like considered as credit toward your intended programme of study, as part of your application.

RPL and Cross Credit cannot be awarded for a course if you are enrolled in that course. You must apply prior to enrolment.
