Work Experience

As part of the New Zealand Certificate in Animal Healthcare Assisting, you are required to complete a minimum of 240 hours of work placement, as determined by the Programme Coordinator and Workplace Coordinator. To ensure you gain a broad understanding of veterinary practices, your work experience will be undertaken across at least two different veterinary clinics.

During your placement, you must maintain a workplace logbook to record evidence of completed practical assessments and skill development.

A Memorandum of Agreement will be established between you, the placement clinics, and EIT. This agreement outlines the rights and responsibilities of each party, ensuring clarity and mutual understanding throughout the placement period.

Timetable

Your study time will be made up of contact time (classroom lectures, practical sessions, tutorials and industry-based learning) and non-contact time (self-directed study).

For a current timetable, please refer to <https://www.eit.ac.nz/students/timetable/>

Contact Time

On-campus classes are usually scheduled between 8.00am-5.00pm, Monday to Friday.

Your contact time will be made up of:

- 416 teaching hours for the duration of the programme
- 240 work placement hours for the duration of the programme.

There will also be 80 hours in our Animal Housing facility as part of your work placement hours for the duration of the programme.

Non-contact Time

You should plan to spend 544 hours over the duration of the programme.

Additional Costs

- Transport and accommodation for work placement where required.
- Black dress pants and scrub top for clinic placement.
- \$120 approximately for required textbook
- \$40 approximately for scrub top

Entry Requirements

- NZ Certificate in Animal Care (Level 3) Companion Animals
- 40 credits at NCEA Level 1, including 10 Literacy credits and 10 Numeracy credits **OR** a relevant qualification at NZQF Level 2 or above.

Provisional Entry*

- Applicants who do not meet the criteria above, but present evidence of ability to succeed (e.g. maturity, life experience, work experience, other study); or
- Those who narrowly fail to meet the standard entry above.

* Please note: this normally requires an interview and entry to subsequent study is conditional on satisfactory academic progress in the first year.

English Language Entry Requirements

All applicants must demonstrate an acceptable level of English language fluency prior to acceptance in the programme.

For international students, ways in which English language fluency may be demonstrated include the following:

- Successful study of a programme in which English was the language of instruction (conditions apply)

- Completion of a New Zealand Certificate in English Language (Level 5 with any endorsement)
- IELTS Academic score of 6.5 with no band score lower than 6.0, achieved in a single test within the two years preceding enrolment.
- International equivalents to IELTS accepted by NZQA.

Entry with Credit

You may already have some knowledge or skills that can be recognised as part of your intended study. This may take a number of different forms including study at any other tertiary institution, life or work experiences and workplace training can also be considered. If you think you qualify, you can apply for Cross Credit (CC) or Recognition of Prior Learning (RPL).

- CC is based on the equivalency of courses or qualifications. You would apply for CC if you have passed a very similar course at the same level.
- RPL is based on the assessment of your current knowledge and skills. You would apply for RPL if you had gained the relevant knowledge and skills through life experiences and informal learning situations.
- There is a fee for RPL.
- You will be asked to provide details of anything that you would like considered as credits towards your intended programme of study, as part of your application.
- You must apply prior to enrolment. CC and RPL cannot be awarded for a course if you are enrolled in that course. An original transcript or notice of results from the institute at which you previously studied (or verified copies) will be required for all applications.

- Overall RPL Credits Limit is 50% of the total course credits. The programmes maintain the ability to partially credit courses where evidence of current competence is presented.

For further information and enquiries about CC and RPL please contact, Sarah Subritzky, Programme Coordinator, on 06 830 1583

Facilities

- Specialised animal practical facilities with simulated surgery facility, live animal housing, isolation unit, simulated clinic reception and diagnostic preparation room.
- Laboratory facilities
- Library and computer facilities.

Assessments

Assessments consist of practical workbook completion for on campus practical work, completion of work placement portfolio, assignments, tests, exams and observations, depending on nature of the course.

The experience you need & the support to succeed

When you study at EIT you'll get the kind of experiences that will help you gain the knowledge and skills to get ahead.

You'll also be supported by lecturers and tutors who are here for you, within a learning environment where you are treated as an individual, not just a number.

They'll know your name and you'll receive one-on-one attention to make sure you get the support to succeed.

Experienced Lecturers

At EIT, you can be confident in the quality of our teaching and your learning experience.

EIT is highly regarded in New Zealand for research excellence due to the quality of our community centred research, our publications and our external grant income provided by funding institutions who have confidence in our research capability. You can be confident your lecturers use the latest knowledge and research in their field of expertise to inform their teaching, and many are at the forefront of knowledge creation within their discipline area.

How to Enrol

There is an easy 3-step process to follow when enrolling at EIT.

Step 1

Check out eit.ac.nz to see the programmes available for you to study. A copy of the course information for each programme is available on our website.

Step 2

You can now use your RealMe verified identity to apply for study at EIT. If you use your RealMe verified identity you will no longer be sent a copy of your application form to sign. You also will not need to provide us with a copy of your primary ID.

If you apply online without using RealMe then you will be sent a summary of your enrolment to check and sign. It will also include course selection forms which you need to complete and return. Your enrolment cannot progress until you have sent the summary and forms back to us.

You can also apply using a paper enrolment form. Please call us on 0800 22 55 348 and we will send you one out.

You will receive an acceptance letter from your Faculty with programme information. This will include the start date of your study and any special information regarding your programme. Depending on your chosen programme of study, you may be invited to attend an interview before you are accepted.

Step 3

Arrangement for full payment of enrolment fees must be made before the start of your programme. You will receive an invoice with payment details.

Fees Free Government Scheme: Tertiary education is fees-free for eligible domestic tertiary students. To check if you are eligible, go to FeesFree.govt.nz and enter your National Student Number (NSN). If you are not eligible you will be responsible for paying your fees.

Scholarships and Grants: Scholarships and grants make life easier by helping to cover your fees, other costs and living expenses while you study. You don't always need to be an academic high-flyer to qualify. You can find out more about scholarships and other options for paying your fees at eit.ac.nz.

StudyLink: If you need to pay for your own study you can choose to apply for your Student Loan and Student Allowance with StudyLink. You should do this early, even if you haven't yet been accepted on your programme. You can change your details later if anything changes. Visit studylink.govt.nz to find out more about StudyLink.

Student Services Levy

The student services levy is a compulsory non-tuition fee that is charged to students enrolled at EIT. The levy is to contribute to the provision of quality student services that support learning. The funds received by EIT from the levy are ring-fenced, meaning they can only be spent on student services.

Student Loans and Allowances

StudyLink is a service of the Ministry of Social Development. Apply well before your programme begins (even if you haven't been accepted yet) so you'll be ready to get your payments when you need them most.

Check out what you qualify for at studylink.govt.nz.
