Feel good about your career choice

The NZ Certificate in Health and Wellbeing (Support Work) [Level 3] is a programme which offers stimulating studies and provides a pathway to a career in many aspects of health care and community support in roles such as care associate, rest home and/or residential community support staff.

This programme is designed to:

- ▶ Enable you to pursue a professional career as support staff.
- ▶ Prepare community support workers who are safe, competent and accountable in assisting people of any age in a health and disability setting.

YOUR FUTURE CAREER & STUDY OPPORTUNITIES

NZ Certificate in Health and Wellbeing (Support Work) [Level 3] introduces you to the health sector and provides an opportunity to work across a number of community providers and organisations. You can progress into other EIT | Te Pūkenga programmes including the NZ Certificate in Study and Career Preparation [Level 4] (Nursing/Health or Social Work Pathway) or a Certificate or Diploma in Mental Health.

Graduate students have been successful in gaining employment in a variety of settings including:

- ▶ Resthomes
- ▶ Disability providers
- ▶ Schools
- ▶ Vocational settings

TIMETABLE

Your study time will be made up of contact time (class times, tutorials, industry-based learning) and non-contact time (your own individual study time, online learning).

Contact Time

On-campus classes are scheduled between 9.00am - 2.30pm.

You should plan to spend 10 learning hours per credit. Learning hours include both classroom hours and individual study time.

ENTRY CRITERIA

Academic Requirements

This is an open entry programme which means no formal qualifications are required. You must be aged 16 or over and you are required to have a reasonable reading level in order to cope with the programme and to carry out written instruction.

Information Session

An information session is compulsory for those who do not meet the entry criteria and it is recommended for those who do meet the entry criteria. It will allow parties to exchange information about what the programme provides for students and requirements of students. Included will be discussion of possible career paths for the student, motivation and physical and emotional requirements, and applicant's abilities, background, experiences and interests. Attendance of whānau members and/or other support people is encouraged.

Alternative Entry Assessment

The alternative entry assessment will measure applicants' literacy and numeracy ability to ensure that it is of a level to cope with the demands of the programme.

Professional Requirements

Applicants who are not currently working within industry are required to:

- ▶ Sign a declaration and a request for personal information held by the Police. This does not apply to the Monday only group.

If the declaration identifies any issue that may impact on the student's ability to complete the programme, the student can discuss these with the programme coordinator at an information session. EIT | Te Pūkenga reserves the right to decline entry to the programme should an applicant's Police record be such that they would be considered unsuitable for the type of work undertaken whilst on this programme or by graduates of this programme. The guidelines on which this decision will be based are the relevant professional association or industry requirements.

Other Requirements

Some workplaces/providers may still require workers to be vaccinated due to their

responsibilities under health and safety legislation. (Please take this into consideration for practicum/placement.) For more information contact the Programme Administrator, Sue Jackson, on 06 830 1521.

ENGLISH LANGUAGE ENTRY REQUIREMENT

Applicants for whom English is not their first language must have an acceptable level of English language fluency prior to enrolment in the programme. This may be demonstrated in a variety of ways, including successful study of a programme in which English was the language of instruction, completion of a New Zealand Certificate in English Language (Level 3), approved scores on IELTS tests (5.0 Academic with no band score lower than 5.0), completion of accepted international equivalents, or completion of an EIT | Te Pūkenga assessment.

ENTRY WITH CREDIT

First Aid

If you already have a valid First Aid Certificate (First Aid Certificates are valid for two (2) years from issue date), which includes the NZQA units 6401 and 6402, you will need to provide a witnessed copy of the certificate with your application. First Aid units must be supplied at the time of applying or enrolling.

NZQA Units

If you already have NZQA units that are listed in this qualification and they are registered on the NZQA Framework, the units will be credited to you. Units must be the same number. Verification must be provided in the form of a copy of your Record of Learning from NZQA before the credits are granted.

You may already have some knowledge or skills that can be recognised as part of your intended study. This may take a number of different forms including study while at high school, study at a private training establishment, workplace training, other tertiary study, life experiences or voluntary work. If you think you may qualify, you may want to apply for Cross Credit (CC) or Recognition of Prior Learning (RPL).

- ▶ CC is based on the equivalency of courses or qualifications. You would apply for CC if you have passed a very similar course at the same level.
- ▶ RPL is based on the assessment of your current knowledge and skills. You would apply for RPL if you had gained the relevant knowledge and skills through life experiences and informal learning situations.

You will be asked to provide details of anything that you would like considered as credit toward your intended programme of study, as part of your application.

You must apply prior to enrolment. CC and RPL cannot be awarded for a course if you are

already enrolled in that course. For further information and enquiries about CC and RPL please contact the Programme Administrator on 06 830 1521.

LITERACY & NUMERACY SKILLS

A Literacy and Numeracy assessment is part of the preparation for all Levels 1 to 3 programmes. This is a national requirement from the Tertiary Education Commission (TEC). This information gives your tutors information on what you already know to help them provide the support that you may need in your studies.

There are two assessments. The first assessment will take place within the first three weeks of the programme. The second will be a week or two before you finish the programme. This final assessment will show how you have improved with your Literacy and Numeracy skills.

There will always be a tutor to help you when doing the assessment. The most important thing to know about this assessment is that you can't fail. You will merely get information on your Literacy and Numeracy skills. The result does not have an impact on any of your assessment marks in your course work.

FACILITIES

Facilities include classrooms, workplaces and other community groups.

ASSESSMENTS

Assessments include practical demonstration of skills, written workbooks and workplace experience.

EIT IS NOW PART OF TE PŪKENGA

Te Pūkenga will bring together New Zealand's Institutes of Technology, Polytechnics, and Industry Training Organisations to build a network of on job, on campus and online learning. The services we offer will not only remain, they will be strengthened by being part of the extensive Te Pūkenga network around the country. Your enrolment for study in 2023 will see you enrolling with Te Pūkenga and becoming part of the extensive Te Pūkenga network around the country.

THE EXPERIENCE YOU NEED & THE SUPPORT TO SUCCEED

When you study at EIT | Te Pūkenga you'll get the kind of experiences that will help you gain the knowledge and skills to get ahead.

You'll also be supported by lecturers and tutors who are here for you, within a learning environment where you are treated as an individual, not just a number. They'll know your name and you'll receive one-on-one attention to make sure you get the support to succeed.

How to Enrol

There is an easy 3-step process to follow when enrolling at EIT | Te Pūkenga.

Step 1

Check out the programmes online at eit.ac.nz to see the programmes available for you to study. A copy of the course information for each programme is available online.

Step 2

You can now use your RealMe verified identity to apply for study at EIT | Te Pūkenga. If you use your RealMe verified identity you will no longer be sent a copy of your application form to sign. You also will not need to provide us with a copy of your primary ID.

If you apply online without using RealMe then you will be sent a summary of your enrolment to check and sign. It will also include course selection forms which you need to complete and return. Your enrolment cannot progress until you have sent the summary and forms back to us.

You can also apply using a paper enrolment form. Please call us on **0800 22 55 348** and we will send you one out.

You will receive an acceptance letter from your Faculty with

programme information. This will include the start date of your study and any special information regarding your programme. Depending on your chosen programme of study, you may be invited to attend an interview before you are accepted.

Step 3

Arrangement for full payment of enrolment fees must be made before the start of your programme. You will receive an invoice with payment details.

Fees-Free government scheme: Tertiary education is fees-free for eligible domestic tertiary students. To check if you are eligible, go to FeesFree.govt.nz and enter your National Student Number (NSN). If you are not eligible you will be responsible for paying your fees.

Scholarships and grants: Scholarships and grants make life easier by helping to cover your fees, other costs and living expenses while you study. You don't always need to be an academic high-flyer to qualify. You can find out more about scholarships and other options for paying your fees at eit.ac.nz.

StudyLink: If you need to pay for your own study you can choose to apply for your Student Loan and Student Allowance with StudyLink. You should do this early, even if you haven't yet been accepted on your programme. You can change your details later if anything changes. Visit studylink.govt.nz to find out more about StudyLink.

Student Services Levy

The Student Services Levy is a compulsory non-tuition fee that is charged to students enrolled at EIT | Te Pūkenga. The levy is to contribute to the provision of quality student services that support learning. The funds received by EIT | Te Pūkenga from the levy are ring-fenced, meaning they can only be spent on student services.

Student Loans and Allowances

StudyLink is a service of the Ministry of Social Development. Apply well before your programme begins (even if you haven't been accepted yet) so you'll be ready to get your payments when you need them most.

Check out what you qualify for at studylink.govt.nz.
