Open entry

- If the delegated authority at the campus/site is satisfied that the applicant has the capability to complete the requirements of the programme.

Recommendation

It is recommended that applicants complete unit or achievement standards related to geography, tourism and travel prior to enrolling in the programme.

English language entry requirement

If English is not your first language you are required to have attained an acceptable level of English language fluency. This may be demonstrated in a variety of ways, including successful study in English, completion of a New Zealand Certificate in English Language (Level 3), approved scores on IELTS tests (Academic score of 5.0 with no band score lower than 5), completion of accepted international equivalents from one test taken in the preceding two years, or an equivalent described in NZQA Rules.

Entry with credit

You may already have some knowledge or skills that can be recognised as part of your intended study. This may take a number of different forms including study while at high school, study at a private training establishment, workplace training or other tertiary study. If you think you may qualify, you may want to apply for Cross Credit (CC).

- CC is based in the equivalency of courses or qualifications. You would apply for CC if you have passed a very similar course at the same level.

You will be asked to provide details of anything that you would like to be considered as credit toward your intended programme of study, as part of your application.

You must apply prior to enrolment. CC cannot be awarded for a course if you are already enrolled in that course. An original transcript or notice of results from the institute at which you previously studied, (or verified copies) will be required for all applications.

For further information and enquiries about Cross Credit, please contact the Programme Coordinator, Nikki Lloyd, on 06 830 1172.

Transfers/cross credits

This qualification has been approved by the New Zealand Qualifications Authority.

This programme leads to the award of a nationally approved qualification. This qualification may be delivered at a number of other tertiary institutes around New Zealand. If you were to transfer to one of those other institutes you may be granted academic credit for some of the papers completed but this is at the discretion of the other institute.

Please note: Fees are not transferable between institutes.

Experienced lecturers

At EIT | Te Pūkenga, you can be confident in the quality of our teaching and your learning experience.

EIT | Te Pūkenga is highly regarded in New Zealand for research excellence due to the quality of our community centred research, our publications and our external grant income provided by funding institutions who have confidence in our research capability. You can be confident your lecturers use the latest knowledge and research in their field of expertise to inform their teaching, and many are at the forefront of knowledge creation within their discipline area.

Literacy and numeracy skills

A Literacy and Numeracy assessment is part of the preparation for all Level 1 to 3 programmes. This is a national requirement from the Tertiary Education Commission (TEC). This information gives your tutors information on what you already know to help them provide the help that you may need in your studies.

There are two assessments. The first assessment will take place within the first three weeks of the programme. The second will be a week or two before you finish the programme. This final assessment will show how you have improved with your Literacy and Numeracy skills.

There will always be a tutor to help you when doing the assessment. The most important thing to know about this assessment is that you CANNOT fail. You will merely get information on your Literacy and Numeracy skills. The result will NOT have an impact on any of your assessment marks in your course work.

Facilities

On the Hawke's Bay campus we have a Travel Centre, which is set up to simulate a travel agency and used for role plays.
