

BACHELOR OF NURSING 2024

Napier and Gisborne

Information for international applicants

A nursing education from EIT is highly regarded with graduate nurses being recognised nationally and internationally. When you graduate with a nursing degree you'll be fully equipped to provide healthcare to people at every stage of life.

You'll develop, practice and refine your learning in a 'hands on' way in our Clinical Arts and Technology (CAT) Centre, which is set up like a working hospital.

Building on your compassionate nature you'll learn how to assess and manage patients in hospitals and the wider community, while working alongside other health professionals.

The Bachelor of Nursing programme enables graduates to enter practice as a registered nurse with a sound knowledge base of nursing theory, social sciences, biological sciences, research and professional nursing practice skills. Theoretical and nursing practice experiences are balanced throughout the programme. Practice experiences occur in a wide range of community and acute health care settings, and comprise fifty percent of the programme.

CAREER OPPORTUNITIES

Nursing is an essential part of health care. It is a professional practice. EIT nursing graduates have high rates of employment.

Possible jobs and career opportunities can include working in:

- Public and private hospitals
- Community health
- Tamariki Ora / Plunket (Well Child Health)
- Independent practice
- Public health
- Nursing education
- Child health
- Mental health
- Registered nurse prescribing
- Nurse practitioner

ENTRY CRITERIA¹

ACADEMIC ENTRY REQUIREMENTS

The Bachelor of Nursing is a clinically focused academic programme that provides preparation to apply for entry to the Register of Nurses in New Zealand.

To be a registered nurse, you must have integrity, empathy, a spirit of inquiry and a commitment to lifelong learning. You must have a mature outlook, a sense of responsibility and a genuine desire to care for people. You need to be able to work independently and as part of a team.

Applicants will be required to provide two references that are able to affirm that the applicant is of good character and reputation. Applicants are also required to complete a health declaration. An interview may be part of the application process.

Applicants must meet degree standard entry requirements. Approved bridging/foundation programmes include the Level 4 Certificate in Study and Career Preparation - Hauora Pathway.

EVIDENCE OF YOUR COVID-19 VACCINATION

Students who are not fully vaccinated (2 doses + 2 weeks) for COVID-19 will not have access to DHB clinical placements/ settings. This means that if you choose not to be vaccinated, this may have an impact on your ability to be accepted on placement in a healthcare organisation; and this may in turn have an impact on your ability to successfully complete your Nursing Degree.

Accordingly, all students applying to enrol on the Bachelor of Nursing are strongly recommended to be fully vaccinated against COVID-19.

ENGLISH LANGUAGE ENTRY REQUIREMENTS

Acceptable English levels are:

Applicants for whom English is an additional language must demonstrate an acceptable level of English language fluency prior to acceptance in the programme.

Such applicants need to provide evidence of either:

- an IELTS test result with an Academic score of 6.5 and no band score lower than 6.5 gained in a single test sitting achieved within the preceding year (or accepted equivalent tests)²; or
- completion of a programme of study in which English was the language of instruction (conditions apply)

ADDITIONAL INFORMATION REQUIRED

You will need to supply the following with your enrolment form:

- Health declaration (including TB questionnaire)
- Student declaration
- Personal statement
- Two referee statements
- Police Clearance
- Evidence of a current Comprehensive First Aid Certificate, or evidence of enrolment to complete.

FACILITIES

The Clinical Arts and Technology (CAT) Centre is an interactive learning environment designed to facilitate, support and provide opportunities for students to develop, practice and refine their cognitive, technical, and practicum skills. The Centre is designed to act as a conduit to bridge the gap between theory and practice. Student skill development is facilitated with an emphasis on hands-on practice.

There are three fully equipped simulated, hospital oriented patient environments on our Napier campus and two on our Gisborne campus.

¹ To study onshore in New Zealand, students must meet current Immigration New Zealand requirements for a student visa. For more information please see the [Immigration New Zealand website](#).

² Further information about NZQA English language entry requirements for international students can be found at www2.nzqa.govt.nz/tertiary/english-language-entry-requirements-for-international-students/
