

# EIT MASTER OF PROFESSIONAL CREATIVE PRACTICE

Applicant Information for Graduates of the Humber Ontario Graduate Certificate

Napier and Gisborne

Master of Professional Creative Practice / Te Hono ki Toi (Poutiriao) is collaboratively offered by EIT's two iconic creative practice schools: IDEAschool and Toihoukura. It offers a unique perspective from both the European and Māori creative culture allowing a wide selection of media to be advanced. The programme enables you to further your creative practice through guided reflection, research and professional practice.

Delivery of the Master of Professional Creative Practice / Te Hono ki Toi (Poutiriao) is "blended" – that is, it is a combination of online study, wānanga and research by creative practice. You may be "based" at either IDEAschool or Toihoukura but will have opportunities to engage with staff and students based at both schools and students who may be practicing throughout Aotearoa and indeed the world.

The Master of Professional Creative Practice (MPCP) is a 180 credit programme with full-time study for one and a half years at Level 9, consisting of four compulsory courses that provides you with the opportunity to create a body of creative work to a standard that develops, extends and refines prior professional practices, processes and knowledge. This will be done through research and critical evaluation to strengthen your creative practice while contextualizing your practice in relation to relevant communities, contemporary concepts, models theory, technologies and professional practice management techniques.

## SCHOLARSHIP
