These are designed to help you at your own specific level, to gain confidence and to help you “live the language”. You will:

- Acquire practical and academic English skills.
- Widen your vocabulary knowledge.
- Learn how to communicate with people in a variety of situations.

You will also receive a New Zealand recognised certificate. Successful completion of NZCEL Levels 3, 4 and 5 offers an academic pathway to further study at EIT or any other New Zealand tertiary provider.

GENERAL ENGLISH LANGUAGE (PART-TIME OR FULL-TIME)

Develop your knowledge of the English language and gain confidence through our English language short courses.

These are a flexible option if you wish to study English but do not require a qualification or cannot commence on NZCEL start dates. Short courses can be used for personal development such as helping you communicate better while you live in New Zealand or helping you get a better job in your home country.

Students who choose to study English language short courses can study at any level and will learn alongside NZCEL students.

Note: Sometimes a student takes an English language short course for a few weeks before or after joining the NZCEL programme.
